Wow. I am ashamed to have this book in my update. Let me just say that I tried to sign up for badreads.com to appropriately describe Blood Red by Heather Graham, but they rejected my review due to sexual content and language. To sum up, main character Lauren Crow (again with the auburn hair, ugh) and her two imaginatively-named friends Deanna and Heidi go to New Orleans for a bachelorette ...

Blood Red manages to breathe new life into the tired genre of vampire fiction and it does it extremely well. Having never read a book by Heather Graham before I wasn't sure what to expect; I didn't know if I was in for a bodice ripper with fangs or a book with fangs with a touch of fire. Thankfully it was the latter.

New York Times and USA Today best-selling author Heather Graham majored in theater arts at the University of South Florida. After a stint of several years in dinner theater, back-up vocals, and bartending, she stayed home after the birth of her third child and began to write, working on short horror stories and romances.
