The X-Type is Jaguar's alternative to premium saloons like the BMW 3-Series and Audi A4. However it has never proved as popular as models from the German manufacturers, due in part to a limited engine line-up and the lack of a diesel until 2003. That's not to say the X-Type is a bad car - far from it. Admittedly the styling isn't very modern, both

A unique and personal account of young designer's journey after joining that most prestigious of marques, Rolls-Royce. Sometimes eccentric, often humorous, the workings of this uniquely British institution during a period of immense change are described in detail. Generously supported by previously unseen illustrations, the author's story, from his
