five-door crossover or a two-door soft-top convertible. It was manufactured with both diesel and petrol engines and both manual and automatic transmission styles were available.

Kia Sportage Free Workshop and Repair Manuals
A damaged transmission is as dangerous and serious as just about any car problem. If your vehicle racks up enough miles, it will eventually need a transmission repair job. The sooner you can recognize the following warning signs, the better it will be for your car and your wallet. 1.) Uneasy gear shifting.
