"Managers of recreation, sport, and leisure services perform a variety of activities. Perhaps the most essential of these activities is the management of human resources. Every person associated with an organization, directly or indirectly, is a resource. These people might be recreation directors, event planners, sport managers, park supervisors, therapeutic recreation specialists, or outdoor leaders. They might have full-time, part-time, seasonal, or voluntary status. It is a mistake to assume that these individuals will automatically fit together into a

cohesive, coordinated team. Furthermore, it is an error to assume that people will automatically perform the appropriate tasks and perform those tasks in the most desirable manner. An effective team effort is essential to the operation of any organization, and it is the responsibility of the manager to make this happen. In summary, this textbook prepares students--whether they intend to work in commercial recreation, therapeutic recreation, outdoor recreation, governmental recreation, youth services, sports management, or event planning--with a solid foundation for human resource management. Theory and practice are combined to assist students in gaining a greater understanding of the many complexities they will encounter in the workplace."--Publisher's website.

A dazzling, epic biography of Levon Helm--the beloved, legendary drummer and singer of the Band. He sang the anthems of a generation: "The Weight," "Up on Cripple Creek," and "Life Is a Carnival." Levon Helm's story--told here through sweeping research and interviews with close friends and fellow musicians--is the rollicking story of American popular music itself. In the Arkansas Delta, a young Levon witnessed "blues, country, and gospel hit in a head-on collision," as he put it. The result was rock 'n' roll. As a teenager, he joined the raucous Ronnie Hawkins and the Hawks, then helped merge a hard-driving electric sound with Bob Dylan's folk roots, and revolutionized American rock with the Band. Helm not only provided perfect "in the pocket" rhythm and unforgettable vocals, he was the Band's soul. Levon traces a rebellious life on the road, from being booed with Bob Dylan to the creative cauldron of Big Pink, the Woodstock Festival, world tours, The Last Waltz, and beyond with the man Dylan called "one of the last true great spirits of my or any other generation." Author Sandra B. Tooze digs deep

into what Helm saw as a devastating betrayal by his closest friend, Band guitarist Robbie Robertson—and Levon's career collapse, his near bankruptcy, and the loss of his voice due to throat cancer in 1997. Yet Helm found success in an acting career that included roles in *Coal Miner's Daughter* and *The Right Stuff*. Regaining his singing voice, he made his last decade a triumph, opening his barn to the *Midnight Rambles* and earning three Grammys. Cancer finally claimed his life in 2012. *Levon* is a penetrating, skillfully told tale of a music legend from Southern cotton fields to global limelight.
