2 Jahre haben wir auf ein Album von 5 Seconds of Summer warten müssen, aber es hat sich definitiv gelohnt. Wer die Pop-Rock-Band schon vorher kannte, ist auch mit den meisten Liedern vertraut und kann fröhlich zu den Studio-Versionen seiner Lieblingssongs mitsingen. Bei einer CD bleibt es aber nicht.

Hi everyone, This book is pretty much our official story so far. It really does seem odd like last week we played our first gig at the Annandale Hotel in Sydney. Since then we've been given the opportunity to turn into the people and musicians we wanted to be. The people who gave us the opportunity were the fans. So this book is like a thank-you. We want everyone to know the story of how four western Sydney teenagers picked up their instruments and dreamed of being one of the biggest bands in the world. There are also some embarrassing photos of us derping around and some facts that some of us didn't even know. So we hope you enjoy it! Love, cal, luke, ash, and mike x

Luke, Michael, Calum and Ashton have become an overnight sensation, topping the charts in fifty-one countries and selling out their first US solo tour in just five minutes. From their humble beginnings posting videos of their songs on YouTube to supporting One Direction on tour and releasing their first album, the past year has been a roller-coaster journey for the boys. 5 Seconds of Summer: The Unauthorized Biography explores the early lives and backgrounds of the boys, their determination to gain recognition, touring with One Direction and coping with sudden international fame. This is the story of four talented, fun and down-to-earth boys who refuse to be known as just another boy band, and is a must-have for any 5SOS fan.

Though 5 Seconds of Summer are opening for One Direction on their worldwide Take Me Home Tour, and though 1D's Louis Tomlinson has been a 5SOS fan for awhile, the pop-punk rockers from Sydney, Australia, aren't just another boy band. They write their own music, play their own instruments, and cite bands such as Blink-182, Green Day, and All Time Low as their influences. Comprised of Luke Hemmings, Michael Clifford, Calum Hood, and Ashton Irwin, 5SOS is leading the next wave of pop-punk sound—and people are taking notice. Their meteoric rise took them from posting YouTube videos on Hemmings' channel in December 2011 to performing on a major worldwide tour less than two years later. You won't want to miss 5 Seconds of Summer: She Looks So Perfect, so you can learn everything about rockers Luke, Michael, Calum, and Ashton now, before they're headlining their own worldwide tour!
