## 'Bittersweet Season' Details Caring For Aging Mom : NPR

About A Bittersweet Season When Jane Gross found herself suddenly thrust into a caretaker role for her eighty-five year-old mother, she was forced to face challenges that she had never imagined. As she and her younger brother struggled to move her mother into an assisted living facility, deal with seemingly never-ending costs, and adapt to the demands on her time and psyche, she learned valuable and important lessons.

American Bittersweet Plant Care. American bittersweet thrives in sunny locations and in almost any soil. Water these bittersweet vines by soaking the surrounding soil during dry spells. Bittersweet vine doesn't usually need fertilization, but if it appears to get off to a slow start, it may benefit from a small dose of general purpose fertilizer.
