Moon Lyrics | Genius
Lyrics~~

Neil Armstrong was the first person out of the lunar module. He climbed down a ladder and then became the first

Online Library A Man On The

person to set foot on the moon at 10:56 p.m. EDT. Armstrong then stated, "That's one small step for man, one giant leap for mankind." A few minutes later, Aldrin exited the lunar module and stepped foot on the moon's surface.

Online Library A Man On The

The Man in the Moon is the supposed image of a man's face that some cultures believe to be visible on the surface of the moon. Most people agree that the face is only apparent when the moon is full. The image is said to be formed by a series of dark areas imitating two eyes, a nose, and an open mouth.
