Hamptons squatter 'trashed her rental' and refuses to move out under pandemic-related eviction ban, leaving her Holocaust-survivor landlord without a home

I'm not squatting, I'm just trying to keep my kids with a roof over their heads,' Stephanie Pion told DailyMail.com outside the gated four-bed, three-bath property Thursday. Stephanie and her ...

Read Book A Pion Play Drama For Several Voices

New York City 's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway 's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.

John Galsworthy (1867-1933), novelist and dramatist, is most widely known as the author of *The Forsyte Saga*, but recent productions testify to the power that his plays still exert over modern audiences and the strength and relevance of the issues he raise In *Strife*, Galsworthy deals with industrial relations; in *Justice*, with prison life - it was one of the few plays to effect real reforms. *The Eldest Son* is also about injustice - one law for the rich, another for the poor; *The Skin Game*, Galsworthy's first commercial success, presents class conflict; while *Loyalties*, 'a crime drama', is about division and prejudice. John Galsworthy is a winner of the Nobel Prize for Literature

"This new and updated Guide, with over 2,700 cross-referenced entries, covers all aspects of the American theatre from its earliest history to the present. Entries include people, venues and companies scattered through the U.S., plays and musicals, and theatrical phenomena. Additionally, there are some 100 topical entries covering theatre in major U.S. cities and such disparate subjects as Asian American theatre, Chicano theatre, censorship, Filipino American theatre, one-person performances, performance art, and puppetry. Highly illustrated, the Guide is supplemented with a historical survey as introduction, a bibliography of major sources published since the first edition, and a biographical index covering over 3,200 individuals mentioned in the text."--BOOK JACKET.

The Theatre of Sa'dallah Wannous is the first book in English to provide a clear sense of the significance and complexity of Wannous' life and work. It is unique in bringing cross-disciplinary scholarship on Wannous together and aligning it with cultural practice and memory by including contributions from leading academics as well as renowned cultural figures from the Arab world. This volume should be of interest to literary and theatre studies scholars, cultural historians, theatre practitioners and anyone who cares about contemporary theatre, Syria and the Arab world. Collectively, the contributions demonstrate the role of cultural production - especially dramatic literature - in providing a portrait of and shaping a
