A Practical Guide To Stage

"A Practical Guide to Stage Lighting  
(Third Edition), by Steven Louis  
Shelley, has long been a standard text  
and reference on preparing lighting  
designs and creating the paperwork  
needed to mount a production. In the  
latest edition, Shelly...zeroes in on  
communication skills, adding ideas  
(and checklists) for efficient and  
productive meetings with both  
management and creative teams.

parks, to cruise ships, special events, and dance, stage managers are an integral part of keeping productions running, and this book offers guidance on each distinct area to equip you for a varied and successful career. Written with candour and filled with real-world examples, the book examines the nuts and bolts of the job at each stage of the production process: from preproduction, room rehearsal, technical rehearsal, through to running the show.
