A stunning tribute to one of America's natural treasures in panoramic photographs of the Adirondack Park's grand mountains, pristine woods, and picturesque waterways. Covering more ground than Yellowstone, Yosemite, and the Grand Canyon combined, the Adirondack Park is one of the great wilderness areas in this country. This volume presents an all-new selection of images, with a focus on how the seasons transform the landscape: the tree-covered mountains in autumnal glory, rivers hushed by winter snow, verdant meadows alive with spring, wildlife such as bears and moose, as well as historic resorts and villages. Each chapter covers a different corner of the park, from Lake Placid and the High Peaks to Saranac Lake, Lake George, and the Fulton Chain. To appreciate the wonders of the Adirondacks through the lens of one of the area's most accomplished photographers is like exploring them for the first time.

Review "Superb" - People " A Great Reckoning succeeds on every level." —St. Louis Post-Dispatch #1 New York Times bestselling author Louise Penny pulls back the layers to reveal a brilliant and emotionally powerful truth in her latest spellbinding novel. When an intricate old map is found stuffed into the walls of the bistro in Three Pines, it at first seems no more than a curiosity. But the closer the villagers look, the stranger it becomes. Given to Armand Gamache as a gift the first day of his new job, the map eventually leads him to shattering secrets. To an old friend and older adversary. It leads the former Chief of Homicide for the Sûreté du Québec to places even he is afraid to go. But must. And there he finds four young cadets in the Sûreté academy, and a dead professor. And, with the body, a copy of the old, odd map. Everywhere Gamache turns, he sees Amelia Choquet, one of the cadets. Tattooed and pierced. Guarded and angry. Amelia is more likely to be found on the other side of a police line-up. And yet she is in the academy. A protégée of the murdered professor. The focus of the investigation soon turns to Gamache himself and his mysterious relationship with Amelia, and his possible involvement in the crime. The frantic search for answers takes the investigators back to Three Pines and a stained glass window with its own horrific secrets. For both Amelia Choquet and Armand Gamache, the time has come for a great reckoning.
