A320/321 Flight Crew Training Manual - 737NG
Airbus ' open approach to collaboration and partnership has been part of its philosophy since the company was created over 40 years ago. In designing new aircraft, Airbus always seeks the input of customers and those who handle the jetliners on a day-to-day basis. One of the best illustrations of this approach was the global working group established when Airbus designed the A380, which ...
