~~The Curious Incident Of A Relationship With An Asperger's ...~~

The Asperger romance rules might include: Kiss spouse goodbye each morning and say "I love you." Call spouse at lunchtime each day and ask "How is your day going?" Buy "For My Wife" card and flowers on special days, listing them. Hold spouse's hand and say thank you when receiving a gift or card ...

~~Romance, Love and Asperger Syndrome~~

Obviously having autism can make romantic relationships and marriages harder, especially if the person does not know to have it. People with autism definitely can feel empathy but probably because of their different wiring they maybe do not feel empathy in quite the same way.

~~Autism, Romantic Relationship and Marriage | Autism Expert ...~~

Aspie - neurotypical relationships often start out with intense passion, then fizzle and devolve into disaster. For the purpose of this article, I have used the word "aspie" instead of "autistic;" however, the two terms should be considered interchangeable in this article.

~~Why Your Asperger's Neurotypical Relationship Is Failing ...~~

Couples therapy is useless if the spouse with Asperger's syndrome /Autism (AS) do not even recognize his developmental disorder. The same applies when the person with AS lives in denial of the problems his * condition causes and instead blames his neurotypical (NT) partner and children.

~~Couples therapy and Asperger's Autism | Asperger Partner~~

The neurotypical partner in an NT-AS relationship has to live with it, mark one's boundaries or give up. Every single NT husband and NT wife in a relationship with someone with AS/ASD has essential, personal reasons for the choices made. Love can be one of those reasons. ~~Intimacy and Romance in NT-AS relations | Asperger Partner~~

This is what I have observed after being in a short relationship with someone who thought he had Asperger's and through reading different articles: 1) Don't assume the other person is uninterested, just because he isn't telling you he likes you or finds you attractive. 2) Don't be alarmed if your ...

~~Tips for Being in a Relationship With a Man Who Has ...~~

In 90% of cases, the autistic individual in a relationship would be high functioning Autism/Asperger's (Support level 2 and 3 individuals are rarely seen in relationships) and in 75% of the cases your spectrum partner is a male.

~~Autism Relationship Problems - Challenges with Autistic ...~~

Relationships can be complex at the best of times, regardless of whether you and your partner are autistic or not. For autistic people, navigating intimate relationships and dating can present its own unique challenges. As a non-autistic person, it might be difficult to support your autistic partner. They may communicate in a different way to you, or find it hard to express their needs and desires.
