Introduction to Sociology - Frank Van Tubergen - E-book

This sweeping work, at once a panoramic overview and an ambitious critical reinterpretation of European modernism, provides a bold new perspective on a movement that defined the cultural landscape of the early twentieth century. Walter L. Adamson embarks on a lucid, wide-ranging exploration of the avant-garde practices through which the modernist generations after 1900 resisted the rise of commodity culture as a threat to authentic cultural expression.
