Medical - Surgical Nursing Skills List Read each of the required clinical skills for a Registered Nurse working on a typical acute medical-surgical unit. Write the number that corresponds to the level of experience you have had with the specific skill. For example, under I. Assessment - A. Measure

Medical Surgical Nursing Skills List

A surgical nurse, also referred to as a theatre nurse or scrub nurse, specializes in perioperative care, providing care to patients before, during and after surgery. To become a theatre nurse, Registered Nurses or Enrolled Nurses must complete extra training. There are different speciality areas that theatre nurses can focus in depending on which areas they are interested in. There are many different phases during surgery where the theatre nurse is needed to support and assist the patient, surge
