Becoming a School Consultant - taylorfrancis.com

My first case as an instructional consultant (Rosenfield & Gravois, 1996) was working with Ms. Harris, a kindergarten teacher. The referral problem was academic in nature. Ms. Harris was concerned that a student in her kindergarten class, Marcus, was having difficulty learning letters, letter sounds, and numbers.

-School of Dance ...

Provide a safe platform for students to ask questions. Being inquisitive never hurt learning. Get into the minds of your students and try to see things through their eyes. Remember, empathy, compassion and patience are good attributes to have. Communication is key for teaching. It's not a case of pouring information down your students' throat.
