Broadband

Premises

Installation And

Service

Most providers,
including BT, will
offer you free
phone line

Online Library

Broadband

installation if you sign up to a broadband package with them.

If you're just signing up to line rental, however, BT charges £130 to either activate an old line or install a new one. Other providers may charge anything between £20-£60

Online Library Broadband

for installation
either way.

Broadband

connect a device to the BT Broadband service; b.

demonstrate a working product and test your Wi-Fi signal; c. connect any additional kit for other BT products and services such as Complete Wi-Fi; d.

Online Library Broadband

Broadband | Fibre to the Premises | BT

The majority of broadband providers will install a new landline for free or for a relatively small fee, on the proviso that you sign up for a 12-month or 18-month contract.

Online Library

Broadband

The charge is generally between £20-£80, depending on the package you're signing up for. For more info, see our guide to broadband line installation.
