precarious reservation economy in which women pursue mixed livelihood strategies combining wage work, craft production, land-leasing, some stock raising, and various rorms or government assistance. Berman traces what she calls the "cereillional relations of production" involved in feasts, honorings, giveaways, and other ceremonial events.

The Workers That Kept Britain Going During The Second World War The British government mobilised civilians more effectively than any other combatant nation. By 1944 a third of the civilian population were engaged in war work, including over 7,000,000 women. Minister of Labour Ernest Bevin was responsible for Britain's manpower resources.

The picture book opens to a width that effectvely places the child at the center of a closed circle - that of mother's body, arms, and the picture book... That circle, so private and intimate, is a place apart form the demands and stresses of daily life, a sanctuary in and from which the child can explore the many worlds offered in picture books.
