examines the
behavior of people
in organizations.
Topics covered
range from political
maneuvering in
organizations
(office politics) to
the stresses facing
people in
managerial and

professional
positions. A
conceptual
framework for
organizational
behavior is
presented, along
with numerous case
illustrations and
examples from live
organizational
settings. This
monograph consists
of 14 chapters and

work and non-
knowledge work;
how research and
theory contribute to
an understanding of
organizational
behavior; and the
distinction between
structure and
process. The
following chapters
