As our world continues to plummet deeper into turmoil--economically, environmentally, politically, and socially--The Cosmic Family volumes shine the light of hope, presenting truth through epochal revelation. These volumes provide real answers for the crises our world faces, explaining how every soul can genuinely contribute to healing their own lives and our planet. This first volume introduces the world to new cosmic concepts and terminology, offering the serious spiritual seeker a unique framework to launch off from into new dimensions. The Cosmic Family, Volume I additionally clarifies fallacies and formerly confusing and deceptive teachings in relation to certain New Age topics. The Cosmic Family volumes, which are the continuation of The URANTIA Book (called the Fifth Epochal Revelation), reveal unprecedented cosmic knowledge, fusing science and spirituality into ascension science. Establishing the foundation of The Cosmic Family volumes, this first volume begins to explain the current suffering state of our world and offers specific steps to take in achieving positive and sustainable global change. The Cosmic Family volumes (the Continuing Fifth Epochal Revelation) challenge the minds and souls of those who have accepted a false reality, which cannot bring true happiness, peace, and harmony. The Cosmic Family, Volume I explains some of the Lucifer Rebellion and Lucifer's Manifesto, perpetrated upon the peoples of this planet for hundreds of thousands of years, contributing to the present state of chaos and suffering. Spiritual leader Gabriel of Urantia is an Audio Fusion Material Complement (for further explanation see The Cosmic Family volumes), activist, teacher, musician, and author. Along with his spiritual complement Ni nn Emerson Chase, in 1989 he co-founded Global Community Communications Alliance/Divine Administration-supporting multi-faceted organizations through Planetary Family Services of 100+ international members (Destiny Reservists) living in community in Tumac cori, Arizona at Avalon Organic Gardens, Farm, and EcoVillage. Together, Gabriel of Urantia and Ni nn Emerson Chase have established more than two dozen outreach and educational ministries, touching all facets of life and health.

This book contains 367 accounts of how early readers found the Urantia Book and what it means to them.The Urantia Book is a superhuman revelation of truth given to the peoples of our planet, which they call Urantia. It teaches us about God, the structure of the universe and its divinely planned development, angels, life after death, the origin and history of our planet, the life and teachings of Jesus, and our eternal destiny as perfected citizens of a friendly universe. It provides an enlightening picture of reality in which science, religion, and philosophy are unified. The authors are a corps of celestial beings who were authorized to reveal this information to us, which was mysteriously transmitted through the mind of a "sleeping subject." When the 2097-page Urantia Book was first published in 1955 it was decided not to advertise it, to let the message spread from one reader to another. This book of testimonies traces how 367 readers discovered the revelation, from pre-publication days in 1924 to the coming of the popular Internet in the late 1990s.

Dr. William S. Sadler professed that a group of celestial beings began to communicate to him through a sleeping man in Chicago from 1911 until 1923. He and his wife, Lena Sadler, both well-known and highly respected local physicians, claimed there were "probably 250 night sessions," during which these celestials spoke through their patient. The identity of the patient was never revealed. From 1924-1934, the Sadlers held a Forum in their home to study the voluminous notes and to compose questions for the celestial beings about human origins and destiny. The result was The Urantia Book, which claims to be the fifth epochal revelation to humankind. Published in 1955, it has sold over 750,000 copies by word of mouth. Although translated into 17 languages, relatively few people know about it or the amazing story of its creation. The History Of The Urantia Book explores the professional lives and spiritual pursuits of the Sadlers and the extraordinary role that Dr. Sadler played in bringing this 2,097-page tome to the world. It compares the "origin story" with the scholarly discovery of relevant facts and circumstances that led to its publication. It also sheds new light on the fiercely protected identity of the "patient" and likely scribe for these revelations.
