Confessions Of An Event Planner

While other books, college courses, and training programs give you the theory and how-to of the profession, Confessions of an Event Planner reveals the real world of event planning and what can happen—usually the unexpected—on an event program when actual participants are added to the event planning design and execution mix. In a climate of media scrutiny and corporate scandals, event planners must be masters of discretion, knowing how to avoid and

An event kit is basically a wonderful, seemingly random collection of items that you take to the event with you to help quickly solve issues onsite. We usually recommend that the event kit hold a collection of items such as stationary, audio visual and personal hygiene, we have developed a basic checklist here to help get you started.
