Connections - The Complete Series
[DVD]: [Amazon.co.uk](https://www.amazon.co.uk) ...

James Burke introduces Connections with the story of the 1965 Northeast Blackout. He pauses to consider how reliant we have become on technology and how little of it we understand before launching into a history of invention, from the plow to the modern day (well, 1978).

James Burke

James Burke (born 22 December 1936) is a British broadcaster, science historian, author, and television producer. He was one of the main presenters of the BBC1 science series *Tomorrow's World* from 1965 to 1971 and created and presented the popular television series *Connections* (1978), and its more philosophical sequel *The Day the Universe Changed* (1985), about the history of science and technology.

James Burke (science historian) -
Wikipedia

For James Burke knowledge doesn't go in predictable straight lines. Here he proves that random connections between people can result in profound and unpredictable consequences.
