Print Merge: With CorelDRAW X4, the Print Merge wizard makes it easier than ever to combine text from a data source with a drawing. As a result, invitations, labels, certificates, or other projects that place unique, personalized text on the same design are faster and easier to produce. In addition, users now have the ability to output a print merge to the CorelDRAW file format (CDR ...

Corel Draw x4 Portable: This is also an old version of CorelDraw Portable, but still some of the users need it badly. It has a few fewer features than the other latest versions but the main advantages of using Corel Draw x4 Portable are small size and fast speed. It works almost the same as the other version. This means that you have everything but you just need to express
