management system. Developed using extensive research on student learning behavior, this book presents concepts in a unique format that speaks to how students learn. Cornerstones examples in each chapter emphasize the How, Why, and What-Ifs of basic cost management concepts, while delving into the conceptual nature of each equation or topic. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Get where you need to be with CORNERSTONES OF FINANCIAL ACCOUNTING. Cornerstones delivers a truly unique learning system that is integrated through the entire introductory managerial accounting journey — ensuring students will leave the course with the knowledge they need to be future business leaders. Students are guided through: Building A Strong Foundation: Students need to build a strong foundation of the fundamentals before they can move forward in this course. The unique Cornerstones approach gets them through the fundamentals FASTER so that they can transition to analyzing and applying concepts. Understanding Relationships: Rather than focusing on concepts in isolation, students should understand accounting as a system and recognize how the end result changes based on how the numbers affect each other. CORNERSTONES aids students in this step as an important part in training them to be good decision makers. Making Decisions: Armed with the knowledge they have gained from working through the other aspects of the Cornerstones approach, students are now given the tools to bring their knowledge full-circle and practice making good business decisions. Students love this approach because it presents materials the way they learn. Instructors love it because it gets students to master the foundations more quickly and allows more time to learn and apply the analysis and decision making of accounting. Get There with Cornerstones! Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Braun, Managerial Accounting builds a solid foundation in managerial accounting concepts, within a less intimidating and more student-friendly context by making information easier to find, making topics easier to understand, and providing numerous engaging examples for students. KEY TOPICS: Introduction to Managerial Accounting; Building Blocks of Managerial Accounting; Cost Behaviour (formerly chapter 6); Cost-Volume-Profit Analysis (formerly chapter 7); Job Costing (formerly chapter 3); Process Costing (formerly chapter 5); Activity Based Costing (formerly chapter 4); Short-Term Business Decisions; The Master Budget and Responsibility Accounting; Flexible Budgets and Standard Costs; Performance Evaluation and the Balanced Scorecard; Capital Investment Decisions and the Time Value of Money MARKET: Appropriate for the Introduction to Management Accounting course.

An accessible guide to the essential issues of corporate finance While you can find numerous books focused on the topic of corporate finance, few offer the type of information managers need to help them make important decisions day in and day out. Value explores the core of corporate finance without getting bogged down in numbers and is intended to give managers an accessible guide to both the foundations and applications of corporate finance. Filled with in-depth insights from experts at McKinsey & Company, this reliable resource takes a much more qualitative approach to what the authors consider a lost art. Discusses the four foundational principles of corporate finance Effectively applies the theory of value creation to our economy Examines ways to maintain and grow value through mergers, acquisitions, and portfolio management Addresses how to ensure your company has the right governance, performance measurement, and internal discussions to encourage value-creating decisions A perfect companion to the Fifth Edition of Valuation, this book will put the various issues associated with corporate finance in perspective.

Gain an understanding of the principles behind cost accounting and its importance in organizational

Read Book Cornerstones Of Managerial Accounting 4th Edition Free

decision making and business today with the unique, reader-friendly approach in Hansen/Mowen/Heitger's **COST MANAGEMENT, 5E**. This edition addresses functional-based cost and control and, then, activity-based cost systems - giving you the skills to navigate any cost management system. Updates address emerging developments, including the role of data analytics in cost management today. An entire new chapter also examines global issues, such as virtual currency and blockchain. This edition's extensively researched, proven approach is tailored to the way you learn. Structured examples from familiar companies emphasize the real-world applications and relevance of what you are learning. In addition, clear explanations review the concepts behind each equation or topic, detailing the hows, whys and what-ifs. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

COST MANAGEMENT emphasizes that changing conditions often require a change in systems. Emphasizing this point stresses the dynamic and exciting nature of the field. By taking a systems approach -- one that first covers functional-based cost and control and then activity-based cost systems -- students understand how to understand and manage any cost management system. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Managerial Accounting is characterised by a strong pedagogical framework and a dynamic and practical approach that directly demonstrates how students can develop their careers in real life. The text introduces students to the underlying concepts and applications of management accounting tools based on the traditional allocation approach and absorption costing method, and uses 'Staircase' exercises in each chapter to build knowledge and help learners to link the content between chapters as they progress through the book. This title uses easy-to-understand, student-friendly language, uncomplicated examples, a logical discussion of concepts that matches student learning processes, and clear visual explanations that support student understanding.

Close the gap between homework and exam performance with Warren/Reeve/Duchac's **CORPORATE FINANCIAL ACCOUNTING 13E!** Market-leading **CORPORATE FINANCIAL ACCOUNTING** has been on the forefront of innovation and change based on the needs of today's teaching and learning environment. Warren/Reeve/Duchac's **CORPORATE FINANCIAL ACCOUNTING 13e** helps elevate student thinking with content that addresses each stage of the learning process from motivation to mastery. It motivates students to learn, provides practice opportunities to better prepare for exams, and helps students achieve mastery with tools to help them make connections and see the big picture. The Complete Learning System in **CORPORATE FINANCIAL ACCOUNTING** is built around the way students use textbooks to learn, study and complete homework, allowing them to achieve ultimate success in this course. The most significant changes for this edition involve the inclusion of the new revenue recognition standard. The end goal of Warren/Reeve/Duchac's **CORPORATE FINANCIAL ACCOUNTING** learning system is to elevate thinking and create more empowered and prepared students--ready to take on the rest of their educational and career goals.
