All These Things I've Done, the first novel in the Birthright series, introduced us to timeless heroine Anya Balanchine, a plucky sixteen year old with the heart of a girl and the responsibilities of a grown woman. Now eighteen, life has been more bitter than sweet for Anya. She has lost her parents and her grandmother, and has spent the better part of her high school years in trouble with the law. Perhaps hardest of all, her decision to open a nightclub with her old nemesis Charles Delacroix has cost Anya her relationship with Win. Still, it is Anya's nature to soldier on. She puts the loss of Win behind her and focuses on her work. Against the odds, the nightclub becomes an enormous success, and Anya feels like she is on her way and that nothing will ever go wrong for her again. But after a terrible misjudgment leaves Anya fighting for her life, she is forced to reckon with her choices and to let people help her for the first time in her life. In the Age of Love and Chocolate is the story of growing up and learning what love really is. It showcases the best of Gabrielle Zevin's writing for young adults: the intricate characterization of Memoirs of a Teenage Amnesiac and the big-heartedness of Elsewhere. It will make you remember why you loved her writing in the first place.

The terror began one autumn night when Jack Railey's young daughter Sarah, did not return home. Was it kidnapping, brainwashing, or worse? Suddenly Jack is caught up in a harrowing scenario of betrayal, terror, and death, when he learns she has joined a cult. Their leader, Kahir, is a man some call kind, others call evil--some say he protects children, others say he destroys them. Jack is asked to join a small band of parents led by a man named Anthony Bane--their aim, to regain their children from the clutches of this Messiah. Agreeing to meet with these strangers for his wife's sake and his own curiosity, Jack soon finds that they had their own secrets--secrets that lead to dangerous consequences. After seeing things thought impossible, Jack finally understands that Kahir possesses powers of dangerous proportion and deadly force. Anyone opposing him would meet a grim fate--a fate pulled from their deepest fears. If Jack Railey wants his daughter back, he'll have to fight a battle unlike any other he has ever fought before. To win he must release his own power--he must face his dark side--he must learn the secrets of the Messiah.
