The Curly Girl manifesto is back, now completely revised, updated, and expanded by more than a third with all-new material. Created by curly hair evangelist Lorraine Massey—the go-to curl expert featured in Allure, InStyle, Lucky, Seventeen, and The New York Times; and founder of several curly salons and curly products in New York City—Curly Girl is the surprising bible for the 65 percent of women with naturally curly or wavy hair and a desire to celebrate it. Curly Girl is packed with unique and fail-proof hair-care methods, inspiration, and an empowering pro-curl attitude. It's all here: daily routines for Botticelli, fractal, and wavy curls; Lorraine's no-more-shampoo epiphany—handle your hair as gently as you do your best cashmere sweater; homemade lotions and potions. New to this edition: an illustrated, step-by-step guide to trimming your own hair (remember: it's not what you take off; it's what you leave on); a section on the particular needs of wavy hair; Lorraine's Down-and-Dirty Curly Boy Routine; more fabulous 'dos for weddings and other special occasions; a chapter on

multicultural hair written by an African American specialist. Plus, updated information on green and chemical-free products, 20 new Q&As, and a DVD with tutorials on caring for four different types of curls. From now on, there's no such thing as a bad hair day.

Love those curls! “Embracing your natural curls is essential to self-acceptance. What a gift to be able to start children off right—loving their textured hair from the jump—with this beautiful, information-packed celebration of curly kids!”—Peggy Orenstein, New York Times bestselling author of *Girls & Sex* and *Boys & Sex* On its surface, *Curly Kids* is a creative, practical handbook about curly hair: how to care for it, how to style it, how to solve problems like frizz and knots. But it's also a book about empowering your kids and helping their self-esteem, because how we feel about our hair is more than follicle-deep—and that's especially true for curly kids who are known to go through bouts of self-consciousness and straight-hair envy. So by helping you and your kids learn new techniques like the Curly Girl Method of “co-washing” (using conditioner to cleanse the hair) and following an easy set of curly dos and don'ts (never “blow-fry” curly hair), *Curly Kids* delivers a powerful promise: Teach your children how to love those fabulous curls—and with Massey's help, those curls will be fabulous—and they'll have the confidence to love all of themselves. Includes: The nature and science behind curly hair Names for every curl shape What to tell the hair stylist Recipes for gentle rinses, washes, gels, and detanglers How to sleep with curls Special curly hairstyles for sports Plus true tales of Curly Kid inspiration

Provides tips for curly hair including shampooing, conditioners, drying, combing, styling, getting the right cut, and how to heal hair after years of strong detergents and damaging blow dryers.

So let's get started. Featuring:

- The many perks of naturally silver hair
- Style and beauty to play up the silver
- Toners and color blending
- Avoiding the skunk line
- Hair care routines
- DIY recipes, including Lavender and Verbena Herbal Hair Tonic
- Face-framing silver streaks

Kinky, curly, or wavy hair isn't "problem" hair—it's just hair with a different set of rules! For too long, hairstylists and hair-care companies have ignored the needs of women with kinky, curly, or wavy hair, focusing on it as "problem" hair rather than celebrating its unique texture. But now hair-care and style expert A. Dickey, considered by top magazine beauty editors to be the foremost authority on caring for, cutting, and styling curly hair, has written *Hair Rules!* to end the frustration faced by women with curly hair every day. *Hair Rules!* is chock-full of simple tips for all types of curly hair and covers everything from the best shampoos and conditioners to use, to damage-free hair-drying (dust off that hood dryer!), the use of natural oils, and the safest coloring, styling, and

chemical relaxing techniques—as well as guidelines for maintaining healthy, gorgeous hair. “My mission,” writes Dickey, “is simple: to advise and encourage all women with nonstraight hair to strive to attain their beauty, whatever their ethnicity, and whatever their tastes.”

Great-looking, healthy, luscious waves, coils or kinks as a modern male with curly hair, is that really possible without having to become a hair diva or spend glorious amounts of time in hair salons retouching your locks while gossiping with your hairstylist? The Curly Hair Book: Or How Men Can Now Rock Their Waves, Coils and Kinks is the essential hair manual for the modern-day curly haired male. From wavy hair to afro-textured hair, The Curly Hair Book covers all to do with daily hair grooming and long-term hair care while instilling the right attitude and mindset to sport one's curls as a lifestyle-conscious 21st century male. Popular hair blogger Rogelio Samson (founder of Manly Curls & Men's Hair Blog) has spent many years in the pursuit of hacking the male hair conundrum with a special focus on curly hair. Having already paved the online way for curly men, this book is Rogelio's next revolutionary step in his path to inspire, motivate and help those men with waves, coils and kinks to finally embrace and optimally address their hair and, once and for all, make something positive out of such a visible personal trait. Thus, Rogelio, himself a curly haired guy, has written this book for modern males who seek the perfect follicular blend of convenience and optimal results. This is what you will find in The Curly Hair Book: - Detailed 101-type content of your hair. - A hair type guide to know the specifics of your type of curly hair and its different lengths. - All about cleaning your hair, from how to find your shampooing frequency to how to use Rogelio's popular Sebum Coating method and much more. - All about conditioners and how to use them together with your own secreted sebum. - All about styling curly hair, including relevant hairstyles for your curl type. - How to build your convenient daily

hair grooming routine, including a routine that takes less than 9 minutes for awesome curls from the moment you get in the shower to the moment you are out of the bathroom. - How to create your own convenient hair care strategy that will ensure the health and future of your hair. - Detailed nutritional tactics and tricks for your hair. - All about having the mentality to start addressing your hair as a modern male and keeping your locks for the rest of your life. - Much inspiration and motivation to implement actions and be successful in your journey to great-looking hair. - Extensive myth busting. - A whole chapter dedicated to 35 miscellaneous questions that will bulletproof your journey. - A plan: the steps and actions necessary to make it all work during your journey. - Many useful tables and diagrams to visualise your actions. - And so much more while having every bit of knowledge related to Rogelio's personal case. This book is part of Rogelio's hair revolution to get men to finally sport awesome manes and embrace their shapely hair so as to integrate their waves, coils and kinks into their own core as males. You will find this book of great benefit if: - You have hair that is wavy, curly, kinky, afro-textured, coiled or of unexplainable shape. - You are balding and need a no-bull book to preserve your waves, coils or kinks. - You are a woman and the man in your life (husband, boyfriend, son, brother, father) has curly hair and you are tired of seeing him not do anything about his hair. This book will be the perfect gift. You can also find this book of benefit if: - You have straight hair but don't know how to manage it. The majority of this book will be relevant to you (refer to Question 24 in Chapter 8 before starting to read the book). - You are the father/mother of a boy with curly hair and want to understand how to manage his hair (refer to Question 23 in Chapter 8 before starting to read the book). - You are a male who wants to try something new with his hair.

The simple secrets to growing your curls healthy and long. Tightly curly hair isn't like any other type of hair, and it needs totally different care to make it happy. Do you spend countless hours—and

The fresh new handbook on how to achieve and maintain stylish natural hair, from the savviest and most revered expert on coils and curls. These days there's a revolution going on. Relaxers are out. Weaves are so yesterday. Tired of damage from expensive chemical treatments and artificial enhancers, women of color are going natural thanks to Nikki Walton of CurlyNikki.com, the natural hair blogger and online hair therapy expert. In *Better Than Good Hair*, this gifted "curl whisperer" educates women on how to transition from relaxed to completely natural hair, with advice and styles for every length—from Fierce Braid-and-Curls to Fancy Faux Buns. She also counsels those considering the "big chop"—cutting it all off at once to sport a bold and beautiful "teeny weeny afro." Here, too, is essential guidance for parents of mixed-race children dealing with new and unfamiliar hair textures and styles. Combining Walton's expansive knowledge with tips from other experts in the field, *Better Than Good Hair* includes: Product recommendations Home hair care recipes Advice for parents on how to manage their children's natural hair Tips for using henna on gray hair Guidance on dealing with detractors Step-by-step illustrated directions for nearly two dozen hairdos, from frohawks to twist-outs Full of indispensable information, as empowering as it is accessible, and with a foreword by actress and comedian Kim Wayans, *Better Than Good Hair* is a must-have natural hair care bible that will help women of all ages and styles achieve their natural beauty.
