Hello, recently i've watched the whole season 1 and season 2 of main DanMachi story as well as the Sword Oratoria part and also i've read the manga version of it (SO that is) up to vol. 13 ch. 54. I'm asking for the correct order in which I should read light novels so that both stories cover each other and create a complete one.

The time for the final battle has come. These young women-these adventurers-are preparing for the ultimate struggle. No matter who wins, who loses, who lives, who dies, there will be no glory or riches to win. Those who fall shall not be remembered in the annals of history. Even so, they stand strong in the face of the greatest evil the world has seen in 1000 years. This is the story of one more familia...

Featuring the stunning work of Kiyotaka Haimura! This collection of illustrations, rough sketches, and more is sure to please any diehard lovers of the beautiful artwork decorating the covers and pages of Is It Wrong to Try to Pick Up Girls in a Dungeon? On the Side: Sword Oratoria! Included are a long format interview between Kiyotaka Haimura and the author Fujino Omori, an exclusive short story, and illuminating scribbled commentary by Kiyotaka throughout!

Aiz is stronger than ever, but she has never been more restless. The blackrobed "client" who lured Lulune Louie into a dangerous job is roping in the Sword Princess with a quest she can't refuse. She knows full well how wary she should be, considering this person's last job ended in an adventurer's brutal murder, monsters attacking Rivira, and Aiz's battle with a distressing monster tamer who confronted her with a name no stranger should know. But when she is offered clues that could lead to revealing her new enemy's identity, Aiz launches herself headfirst into the Dungeon--alone. Loki Familia is quick to chase after their idol once they find out what she's up to, but nothing can prepare them for the incomprehensible dangers lying in wait for them.

Aiz and Hermes Familia have joined forces to eliminate the monster outbreak in the pantry, but an unexpected dead end forces their expedition into uncharted territory. Unusual changes are disrupting the delicate balance of the Dungeon, and Aiz finds herself alone against her nemesis, the red-haired Tamer. Will her recent rank-up give Aiz the edge she needs to fight this battle on her own? And without Aiz's support, what will become of Hermes Familia when disaster strikes...?

Aiz has finally done it! After showing her resolve by defeating the Black Skeleton King, Udaeus, she has reached Level Six at long last! But instead of being satisfied, why is she rushing back to the Dungeon?! With no idea as to Aiz's whereabouts, Loki Familia is determined to take action. But there are too few of them available to form a search party, forcing Loki to accept the help of another familia...

The time for Loki Familia's expedition to brave the unknown depths of the Dungeon has arrived, and Aiz must wrap up her training sessions with Bell. While the novice adventurer's secrets have continued to elude the Sword Princess, Bell's improvement under her is unmistakable when the Dungeon pushes him to his limit. Later, as the expedition makes its way to the fifty-ninth floor, Aiz must fulfill her duty to Loki Familia. But d é j à vu strikes when she learns a certain white-haired boy is fighting for his life against a minotaur once more...

A room bathed in crimson red blood, the air choked with the smell of iron, and a shattered skull atop a dead adventurers corpse... Thanks to Aiz and crew, the tumultuous events of Monsterphilia ended without incident, and they were finally able to relax-but only for a moment. Soon, they find themselves embroiled in a suspicious case of murder. As they begin to investigate, the ladies soon realize that they're getting involved with a killer that's more horrifying than they thought. "What, is this...?" In the midst of all this, they find a mysterious jewel that may connect to everything else. These events taking place above and below the surface will rock Orario to its core as the darkness lurking in the city bursts forth!

In Orario, fearless adventurers band together in search of fame and fortune within the monstrous underground labyrinth known as Dungeon. But while riches and renown are incentive enough for most, Bell Cranel, would-be hero extraordinaire, has bigger plans. He wants to pick up girls. Is it wrong to face the perils of Dungeon alone, in a single-member guild blessed by a failed goddess? Maybe. Is it wrong to dream of playing hero to hapless maidens in Dungeon? Maybe not. After one misguided adventure, Bell quickly discovers that anything can happen in the labyrinth--even chance encounters with beautiful women. The only problem? He's the one who winds up the damsel in distress!

Aiz Wallenstein, the Sword Princess, is known as one of the most powerful warriors from one of the most powerful groups in the city of Orario: Loki Familia. With them, she ventures into the deepest parts of the labyrinthine Dungeon beneath the city, stalking the monstrous denizens that lurk there and vanquishing them with the blazing light of her sword. But when she meets a certain white-haired boy, the encounter will change both of them forever...

THE SEARCH FOR LOVE IS ON! A fey mood strikes Freya, sparking a new quest to find her Odr, the one destined to stand forever by her side. Naturally, her followers are against it. They remember all too well the disaster that her last adventure turned out to be. Unfortunately for them, such a minor setback has never been enough to stop the goddess of beauty from following wherever her heart leads-which, this time, happens to be the sandy dunes of Kaios. Freya is eager to spread her wings to see what discoveries this new land has to offer, even as her familia frantically searches for her, no matter the cost...!
