Australia's most famous children's cake book - reprinted in a collector's edition. The Australian Women's Weekly's *Children's Birthday Cake Book* was first published in 1980 and has sold more than half a million copies. In response to all the requests we have had, often from mothers who remember fondly all the cakes from their own childhood, we have taken this book from our archives and reprinted it 30 years after it first appeared. We have had to make a minor change - four of your little friends are missing, but they've been replaced by other cakes you'll love just as much. Apart from that we've left it just as it was - a true collectors' cookbook especially for you. Now you can recreate your favourite cakes - the swimming pool, rocket and that train from the cover for your own child.

Fifty full-color sticker images of candles, rosettes, numbers, stars, garlands of teddy bears, "Happy Birthday" greetings, and other ornaments are waiting to be applied to an undecorated confection shown on the inside back cover of this little book. And best of all, this birthday treat won't disappear when the special day is over.

In *I Love Crab Cakes!*, award-winning chef and cookbook author Tom Douglas brings the best of East, West, and Gulf coasts to the table and proves that the most delicious crab cakes of all come straight from your home kitchen. Tom thoroughly examines every thorny, crab cake-related issue. Bread crumbs, cracker crumbs, panko, or no crumbs at all? What kind of crabmeat: Dungeness, king, or Peeky Toe? Are the best crab cakes pan-fried, deep-fried, or not even cooked? Tom offers up dozens of his famous crab cake recipes, including classic
