Business Law offers comprehensive coverage of the key aspects of business law in a straightforward manner that is easy to understand for non-law students. It describes and

File Type PDF English Law For Business Students

considers the full range of legal topics such as Contract, Company and Employment Law, as well as including coverage of emerging areas such as Health and Safety and Environmental Law as they apply to business.

Tailored to meet the needs of business students, this book allows readers to navigate the core legal provisions in employment law and get to grips with crucial issues. The language used is easy to follow and the structure of the book provides an accessible introduction to the subject.

Throughout, the book provides relevant examples, gives international law comparisons and imbues readers with a 'best practice' awareness. Students will also use the book to:

- Recognize and understand relevant case law in key areas;
- Understand how employment law works in practice;
- Assess the effectiveness of United Kingdom and European employment law.

This book will be of invaluable help to Undergraduate and MBA students as well as those pursuing a CIPD employment law course.

This fourth edition of Business Law offers comprehensive and accessible coverage of the key aspects of business law. Established legal topics such as the English legal system, Contract, Consumer, Intellectual Property, Company and Employment Law, and emerging areas such as Health, Safety and Environmental Law are all addressed in the context of business. The work has been thoroughly updated to include all the major recent developments in business law, such as the new EU Trade Secrets Directive and case outcomes decided since the publication of the last edition. The book also discusses the impact of Brexit. In addition, the book features extensive diagrams and tables, revision summaries,

File Type PDF English Law For Business Students

reading lists, and clear key case boxes for easy reference. This book is ideal reading for undergraduate law and business studies students, while also applicable to practitioners and those with a more general interest in business law.

A student-centred text ideal for those new to the study of law. It adopts a fresh approach and is packed with photographs, diagrams and examples of how the law impacts on the business world.

Business Law offers comprehensive coverage of the key aspects of business law that is easy to understand for both law and non-law students. Established legal topics such as the English Legal System, Contract, Consumer, Company and Employment Law, as well as emerging areas such as Health and Safety and Environmental Law, are considered as they apply to business. This edition also includes coverage of the now essential field of Intellectual Property, written by Janice Denoncourt. The work has been thoroughly updated to include all the recent major developments in the law, such as the Consumer Rights Act 2015 and the Small Business, Enterprise and Employment Act 2015 together with important cases that have been decided in the period since the last edition. Mention, of course is made of Brexit, although as yet its outcome and consequences remain uncertain. Key learning features include: Law in context boxes that contextualise each chapter's topic within the Business environment; diagrams and tables to illustrate key principles; updated key case boxes that highlight landmark cases for easy reference; revision summaries at the end of each chapter to help clarify the key points for each topic; an attractive two-colour text design that aids easy understanding and quick referencing; an up-to-date and easy-to-use

File Type PDF English Law For Business Students

companion website with additional features to further your learning and track your progress. Business Law offers a topical overview of this subject in an accessible style suited to both law and business studies undergraduates.
