Resilience is a powerful metaphor that, although heretofore absent from conversations within feminist rhetoric, can refocus the field in very productive ways. While similar to metaphors used previously by feminist rhetoricians, it is also distinct in that it places greater emphasis on agency, change, and hope in the daily lives of individuals or groups of individuals.

~~Feminist Rhetorical Resilience eBook-Flynn, Elizabeth A----~~  
Collectively, the contributors to Feminist Rhetorical Resilience create a robust feminist conception of resilience as a complex rhetorical process. Too often resilience has been associated with psychological characteristics inherent in some individuals or cultures and absent in others. We demonstrate, however, through the seven essays, responses, and reflections included in our book, that a feminist conception of resilience is best seen not as fundamentally psychological but as rhetorical. ...
