Berglund and Jan Roush have assembled twelve leading scholars of American Indian literature to provide new perspectives on Sherman Alexie--by many accounts, the most widely read American Indian writer in the United States and likely in the world.

Native Americans have been a constant fixture on television, from the dawn of broadcasting, when the iconic Indian head test pattern was frequently used during station sign-ons and sign-offs, to the present. In this first comprehensive history of indigenous people in television sitcoms, Dustin Tahmahkera examines the way Native people have been represented in the genre. Analyzing dozens of television comedies from the United States and Canada, Tahmahkera questions assumptions that Native representations on TV are inherently stereotypical and escapist. From *The Andy Griffith Show* and *F-Troop* to *The Brady Bunch*, *King of the Hill*, and the Native-produced sitcom, *Mixed Blessings*, Tahmahkera argues that sitcoms not only represent Native people as objects of humor but also provide a forum for social and political commentary on indigenous-settler relations and competing visions of America. Considering indigenous people as actors, producers, and viewers of sitcoms as well as subjects of comedic portrayals, Tribal Television underscores the complexity of Indian representations, showing that sitcoms are critical contributors to the formation of contemporary indigenous identities and relationships between Native and non-Native people.

Winner of the American Book Award and the Murray Morgan Prize, Sherman Alexie's brilliant first novel tells a powerful tale of Indians, rock 'n' roll, and redemption. Coyote Springs is the only all-Indian rock band in Washington State and the entire rest of the world. Thomas Builds-the-Fire takes vocals and bass guitar, Victor Joseph hits lead guitar, and Junior Polatkin rounds off the sound on drums. Backup vocals come from sisters Chess and Checkers Warm Water. The band sings its own brand of the blues, full of poverty, pain, and loss--but also joy and laughter. It all started one day when legendary bluesman Robert Johnson showed up on the Spokane Indian Reservation with a magical guitar, leaving it on the floor of Thomas Builds-the-Fire's van after setting off to climb Wellpint Mountain in search of Big Mom. In *Reservation Blues*, National Book Award winner Alexie vaults with ease from comedy to tragedy and back in a tour-de-force outing powered by a collision of cultures: Delta blues and Indian rock. This ebook features an illustrated biography including rare photos from the author's personal collection.
