Hatchback Diesel

Manual

The most popular engines

available in the

Focus are the

2.0 litre diesel

and the 1.0

litre EcoBoost.

The 2.0 litre

diesel engine

gives 150 PS and

comes with a

6-speed manual

Bookmark File

PDF Ford Focus

transmission or
a PowerShift
automatic

transmission.

The 1.0 litre
EcoBoost engine
is a clever
piece of kit and
Ford shows just
how economical
that a petrol
engine can be.
