Clear, concise, and easy to understand, this updated Sixth Edition of FOUNDATIONS OF LAW: CASES, COMMENTARY, AND ETHICS provides a comprehensive overview of American law and its legal system to help students build the foundation necessary for success in advanced courses of study. Over 70 excerpted judicial opinions illustrate basic themes, while instructive case studies challenge students to apply concepts to difficult scenarios. To help students master key concepts, the Sixth Edition includes new chapter-opening learning objectives, as well as chapter review questions, critical thinking questions, and cyber exercises Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In the third edition of "Foundations of Law, over 40 excerpted judicial opinions are used to illustrate basic themes, and instructive case studies are presented to challenge students beyond acquiring knowledge. Thus, a thorough understanding of concepts and their application in difficult scenarios can be achieved. Examples of lawsuits emanating from the recent presidential elections are included to highlight points from initial chapters on the legal system. Numerous one-page articles on cases and personalities throughout the text provides students with an in-depth view into the history of law. Each chapter is designed for one week of study.

This updated text presents the basic concepts of law and the legal system for paralegal students, including coverage of the court structure, ethical issues, roles of legal personnel, legislation and adjudication, and legal procedure. Through the analyses of case studies, legal principles are illustrated and reinforced, ensuring a solid foundation for continued learning. A chapter on Family Law has been added, and many of the case studies have been updated to address current issues affecting the legal system today.

In the fourth edition of Foundations of Law, concentration on the overview of American law and its legal system permeates the book to assist readers in preparation for advanced study. Over forty excerpted judicial opinions are used to illustrate basic themes, and instructive case studies are presented to challenge users beyond acquiring knowledge, so that thorough understanding of concepts and their application in difficult scenarios can be achieved. Each chapter is designed for one week of study, and is written with clarity and conciseness to facilitate comprehension of the material. The addition of chapter review questions and websites promote learning and retention.
