Glencoe Health is a comprehensive health program, provided in a flexible format, designed to improve health and wellness among high school students. Real-life application of health skills helps students apply what they learn in health class toward practicing good health behavior in the real world. Hands-on features are integrated with technology, assessment, and up-to-date health content. Features Hands-on activities-based program focuses on health skills, avoiding risk behaviors, and promoting health literacy. Academic integration throughout the program includes research-based reading and writing strategies in every lesson, as well as Real-World Connections emphasizing math concepts and activities, and Standardized Test Practice focusing on Math and Reading/Writing. Fitness is emphasized through the program with the Fitness Zone. The Fitness Zone includes tips in the Student Edition for incorporating fitness into everyday life, activities in the Teacher Edition, a special section of the Online Learning Center, and a heart-rate activity workbook with CD-ROM. The latest technology includes videos, podcasts, activities for handheld devices, the online student edition, PowerPoint DVD, StudentWorks Plus, and TeacherWorks Plus. Includes: Print Student Edition

Student Activity Workbook

Correlated to the national health education standards, this is the program you can trust! Glencoe Health is a research-based program that will give your students the skills they need to stand up to peer pressure, avoid risky behaviors, and develop the resilience they need to handle the changes they'll face during their school years...and throughout their lives.

The Glencoe Math Accelerated Interactive Study Guide engages students in the lesson, helps them stay on task, and strengthens their note-taking skills. Pages are 3-hole punched so they fit neatly into class binders.

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.

This workbook contains study guides, activities, and health inventories.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.
