Training the Called Woman to Teach and Influence is a training manual to empower women to teach God's Word effectively within one's own church settings--in Bible studies, Sunday School classes, as part of preaching teams or for retreats. Many women speakers today are gifted story-tellers and entertainers, but have not been trained or challenged to keep the Word of God as the central agent of transformation in their messages. This manual will challenge both trainer and trainees to keep God's Word as the pivotal training instrument for all speaking arenas because . . . "God speaks through the Bible. It is the major tool of communication by which He addresses individuals today," states Hadden Robinson, a distinguished professor of preaching. John Killinger, a professor at Princeton Theological Seminary agrees. "The greatest preachers have always been lovers of the Bible. Those who have based their preaching on other texts--on the poets, current events, the media, or their own opinions--have passed quickly from the scene, as though their ministries were established in quicksand. The ones who built their sermons on great biblical ideas and passages have lingered in

our memories. It is not that they were more original than others--the opposite is likely to be true--but there is something about the Scriptures, something capable of rescuing even mediocre homiletical minds from transience and obscurity." This manual has been designed to be a step-by-step workbook used by individuals, by a trainer with a group of aspiring speakers, or for a group to work through together without a trainer. Some have described this manual as one-stop shopping for training women to speak as all the tools for one's tool kit can be found within its pages--biblical tools, how to outline, illustrate, put it all together, deliver, recover and stay focused on one's own unique God-given teaching style.

Written in a quick-review format perfect for the busy student and clinician, this Second Edition stands as the most illustrative and in-depth guide available to prepare for the gastroenterology board and recertification exams. Supplying readers with an armamentarium of case-based presentations, 219 quality images, and more than 400 references for f

When Nazi Germany invaded the USSR in 1941, special units called Einsatzgruppen allegedly slaughtered up to three millions Jews. This study reviews the pertinent sources and material traces. It reveals that war-time documents do not fully support the orthodox genocidal narrative, and that most Soviet post-"liberation" sources are unreliable.

These classic Bible Study Courses by Rev. Kenneth E. Hagin have been reedited to include chapter review questions to further enhance your study of God's Word. These teachings on the vital subjects of faith, prayer, the Holy Spirit and His gifts, and healing will show you how to live a life of victory and abundance! Learning how to pray effectively is one of the most important things a believer can

ever do in his Christian walk. A believer cannot be successful in fulfilling God's purpose in his life if he does not know how to pray according to biblical principles. A believer's prayer life should be based and built on the Word of God. This Bible Prayer Study Course discusses many principles of prayer that are found in the Word of God. As you apply these principles in your life, you can be sure of an answer every time! Chapter titles include: -- Seven Steps to Answered Prayer -- Praying in Jesus' Name -- Praying for Results -- The Prayer of Faith -- Praying With Tongues -- What Jesus Said About Prayer -- The Will of God in Prayer

Examines the basic human temperaments and how God can use them, along with questions for group study.

When we enter a building, we owe our sense of well-being to parts of the building that we do not see or recognize. It is the same with the local church. Pillars stand faithfully behind the walls apart from the eyes of human admiration to hold up the weight of the building. 'PILLARS' is a book that will prepare you to take your place behind the walls to support the local church on the solid footing of maturity. Paul Staack has written this book to call the body of Christ to responsible action. It is a manual for putting away childish things. The words in this work are not idle words. They are backed by 35 years of ministry experience in the same church. These chapters will give you a glimpse of a mature believer. Will you allow yourself to be poured into the mold of a pillar? If so, you will assume the mind and attitude of Christ. You will spend your life pouring yourself out in acts of love and service. You will taste the fruit of changed lives on the table of your influence and you will live the life you really want. The voice of a pillar in the church continues to speak to ensuing generations. This book will equip you to take your place as: 'PILLARS' THE INVISIBLE SUPPORT TEAM OF THE LOCAL CHURCH
