Study & Master Accounting Grade 10 has been especially developed by an experienced author team according to the Curriculum and Assessment Policy Statement (CAPS). The comprehensive Learner's Book includes: \* case studies which deal with issues related to the real world, and move learners beyond the confines of the classroom \* margin notes to assist learners with new concepts - especially GAAP flashes, that give learners guidance on General Accepted Accounting Practice \* examples with solutions after the introduction of each new concept. The Teacher's File includes: \* a daily teaching plan, divided into the four terms, that guides the teacher on what to teach per day and per week \* moderation templates to assist teachers with assessment \* solutions to all the activities in the Learner's Book. The CD-Rom with a PowerPoint presentation includes: \* interactive examples to explain new concepts \* links to all solutions to activities and assessments in the Learner's Book
