Written by an expert author team of BTEC teachers and professions, this Student Book includes:

This work covers all four mandatory units and eleven of the optional units, so learners have enough for the ward, certificate, and diploma. Practice assignments and assessment guidance will also help learners to achieve their potential in internally assessed units.

This must-have textbook provides wider reading and broad, underpinning knowledge for Level 3 students on a range of courses.

Combined with Student Book 1, these books offer coverage of all mandatory and the most popular optional units to help your students achieve their best, and provide enough content to complete the full Extended Diploma. Focused on what is needed from a learning, teaching and assessment point of view, with renewed focus on assessment activities for all criteria. Grading tips accompany each assessment activity to help students achieve their best. Edexcel's Assignment tips, written and reviewed by BTEC experts, offer invaluable unit-by-unit advice on how to get the most from your BTEC course. Workspace case studies encourage students to apply their learning to real-world contexts and bring the sector to life. Author Team: Marilyn Billingham, Pamela Davenport, David Herne, Stuart McKie, Marjorie Snaith, Beryl Stretch, Hilary Talman and Mary Whitehouse

BTEC's own resources for Entry 3/Level 1 health and social care are tailored to the needs of Entry 3 and Level 1 learners providing content for both specifications that help learners engage with their studies, achieve their potential, and progress to employment or BTEC Level 2 First.

Help your students gain the academic expertise and employability skills needed for further progression in education or the workplace with this textbook, fully updated to reflect the new structure and content of the 2016 Level 3 BTEC qualification. - Prepare your students for new external assessment requirements with teaching guidance and tips - Contextualise knowledge and build practical understanding of concepts with real-world issues and scenarios - Provide opportunities to stretch and challenge Distinction students - Help students prepare for assignments with activities linked to assessment criteria

This work covers all four mandatory units and eleven of the optional units, so learners have enough for the ward, certificate, and diploma. Practice assignments and assessment guidance will also help learners to achieve their potential in internally assessed units.

Providing specification-matched coverage of the mandatory units, this text will encourage students to understand, explain, contextualise and demonstrate their

knowledge of the subject.

From internationally bestselling British author Susan Lewis comes an unflinching, thoroughly suspenseful novel—perfect for readers of Jodi Picoult—about the darkest secrets a family can hide. Alex Lake ’ s life is centered on helping people. Her job as a social worker in a British seaside town is more than a career: It ’ s the very essence of who she is. And though there are frustrations, Alex takes to heart the rewards of placing a child in a safe and loving home. But when she encounters three-year-old Otilie Wade, Alex is completely unprepared for the effect the sweet, shy little girl has on her. Though on the surface Otilie seems to want for nothing—she ’ s perfectly healthy and lives in a very nice home—she ’ s mysteriously silent and asocial. Alex knows that something is not right in the Wade house. And the deeper she looks into the case, the more Alex comes to feel that she and Otilie are being drawn together by fate. As disturbing evidence mounts and Alex ’ s superiors seem unwilling to help, Alex knows she will have to risk everything—her job and the life she loves—to save Otilie. But Alex will also have to wrestle the demons of her own past before she can secure a future for this child in need. **BONUS:** This edition includes an excerpt from Susan Lewis's *Don't Let Me Go*.
