We are both professionals in our early 30s in the business world. She is two years older than me. About a year ago, she had an accident and now has to use a cane – something she will probably ...

Miss Manners: How do we tell them they're not bridesmaids?

This is such a familiar question, and we have clocks all around us to tell us the time, so we can forget that we actually measure time based on the Earth's relationship to the sun. The seasons, days, nights and hours are all the result of where the Earth and the sun are. Even the hands on a clock are based on the sun! Read on to learn more.

How We Tell Time Using the Sun | Science Lesson

Whenever we do so, we are in difficulties: suppressing them is scientifically dishonest, so we must tell them, but telling them, however, will fire back on us. If the truths are sufficiently impalatable, our audience is psychically incapable of accepting them and we will be written off as totally unrealistic, hopelessly idealistic, dangerously revolutionary, foolishly gullible or what have you.

Edsger Dijkstra - How do we tell truths that might hurt?
