If only they could talk? Now one of them does. And not just any nag. THE TETRARCH was one of the Turf's greatest

racehorses. The oddly marked colt is acknowledged as the fastest two-year-old ever to set hoof on an English racecourse. His freakish powers set him apart: he was a phenomenon. Retired undefeated amid sensational circumstances, the charismatic grey proved an unenthusiastic stallion. Yet he fathered Classic winners and became champion sire, establishing dynasties that ensure his influence is felt to this day throughout the bloodstock world. Only an elite few racehorses become public idols and earn themselves a nickname. This is the story of THE SPOTTED WONDER as he might tell it.

Things are not always as they seem... In the novel *White Hats...Dark Hearts*, Kurt is a God-fearing South Dakota farmer. The young man is shocked out of his complacency by an encounter with a UFO in his wheat field. Visiting with his friend and neighbour, Roy, Kurt meets Kerry, a beautiful New York massage therapist on the rebound from a womanizing stockbroker. There is instant chemistry. Kerry goes with Kurt to retrieve a strange device he picked up but left behind in his horse's saddlebag after the UFO encounter. When they stop for gas, Kerry realizes that the car with Florida plates in the adjoining body shop belongs to her Uncle Jim. They find him in a bar across the street, just as he faces off with three young men in a dispute over Bush/Cheney foreign policy. There follows a lengthy, animated, often humorous, and sometimes strained discussion about terrorism, imperialism, and the role of religion in "perpetual war." Jim and his niece are persuaded to spend the night at Kurt's house after Kurt gives an elderly relative, Standing Wolf, a ride home. On the way, they are waylaid by the trio from the bar. They learn that Standing Wolf's granddaughter was recently sexually assaulted by one of the trio. Leaving Standing Wolf's home, they are startled by a brilliant light that illuminates the nearby hill. Yet another mystery awaits at Kurt's house: The device is gone, along with Kurt's horse.

Written in accessible language *Light Touch Reflextherapy* is a wonderfully illustrated practical workbook for reflexologists and physical therapists who work with the body's reflexes. This pioneering book gives reflexology a complete makeover from the standard approaches of using moderate to heavy massage on the reflexes. This new approach is one of working with the client or patient by utilizing their own built in self healing properties. The book discusses how both acute and chronic conditions may be treated. Treatment of acute pain syndromes uses foot reflexes with acupoints (the author sees no discernible difference between reflexes and acupoints). Treatment of chronic conditions utilizes the reflections of the chakra energy system on the feet, hands, arms and legs. By using the chakras, the author shows how the the aetiology of imbalance may be addressed. A large full colour A1 size poster is available to accompany this book - full details on www.johncrossclinics.com
