Sphere Of Silence In the Sphere of Silence by Vijay Eswaran - Goodreads The Sphere of Silence is a tool which gives us the ability to address our goals and do much more, by showing us a way to go down to the fundamentals of our self. " If you don't know who you are, you don't know where you are going, " says Dato' Vijay Eswaran, author of the book In the Page 10/25

Journalists face constant intimidation. Whether it takes the extreme form of beheadings, death threats, government censorship or simply political correctness—it casts a shadow over their ability to tell a story. When the Danish newspaper Jyllands-Posten published the cartoons of the prophet Muhammad nine years ago, Denmark found itself at the center of a global battle about the freedom of speech. The paper’s culture editor, Flemming Rose, defended the decision to print the 12 drawings, and he quickly came to play a central part in the debate about the limitations to freedom of speech in the 21st century. In The Tyranny of Silence, Flemming Rose writes about the people and experiences that have influenced his understanding of the crisis, including meetings with dissidents from the former Soviet Union and ex-Muslims living in Europe. He provides a personal account of an event that has shaped the debate about what it means to be a citizen in a democracy and how to coexist in a world that is increasingly multicultural, multireligious, and multiethnic.

The intimate and sometime startling account of Fischman’s spiritual journey and the encounter that changed his life forever.

This journal is a practical tool of the book "In The Sphere Of Silence" by Vijay Eswaran

It is the early 1950s. A nameless man is found on the steps of the hospital in Iasi, Romania. He is deaf and mute, but a young nurse named Safta recognizes him from the past and brings him paper and pencils so that he might draw. Gradually, memories appear on the page: the man is Augustin, the cook's son at the manor house at Poiana where Safta was the privileged daughter. Born six months apart, they had a connection that bypassed words, but while Augustin’s world stayed the same size, Safta’s expanded to embrace languages, society, and a fleeting love one long, hot summer. But then came war, and in its wake a brutal Stalinist regime, and nothing would remain the same. Georgina Harding’s kaleidoscopic new novel will appeal to readers of Anne Michaels, Michael Ondaatje, and Sandor Marai. It is as intense and submerging as rain, as steeped in the horrors of our recent history as it is in the intimate passions of the human heart.

Tiffany Bluhm wishes this wasn’t her story to tell. Yet like many women today who are taking action against sexual harassment and sexual assault, it is. Bluhm explores the complex dynamics of power and abuse in systems we all find ourselves in. With honesty and strength, she tells stories of how women have overcome silence to expose the truth about their ministry and professional leaders--and the backlash they so often face. In so doing, she empowers others to speak up against abuses of power. Addressing men and women in all work settings--within the church and beyond--popular author and podcast host Tiffany Bluhm sets out to understand the cultural and spiritual narratives that silence women and to illuminate the devastating emotional, financial, and social impact of silence in the face of injustice. As readers journey with Bluhm, they will be moved to find their own way, their own voice, and their own conviction for standing with women. They’ll emerge more ready than ever to advocate for justice, healing, and resurrection.

NPR’s Favorite Books of 2019 Rachel Cusk redrew the boundaries of fiction with the Outline Trilogy, three “ literary masterpieces ” (The Washington Post) whose narrator, Faye, perceives the world with a glinting, unsparring intelligence while remaining opaque to the reader. Lauded for the precision of her prose and the quality of her insight, Cusk is a writer of uncommon brilliance. Now, in Coventry, she gathers a selection of her nonfiction writings that both offers new insights on the themes at the heart of her fiction and forges a startling critical voice on some of our most urgent personal, social, and artistic questions. Coventry encompasses memoir, cultural criticism, and writing about literature, with pieces on family life, gender, and politics, and on D. H. Lawrence, Françoise Sagan, and Kazuo Ishiguro. Named for an essay Cusk published in Granta (“ Every so often, for offences actual or hypothetical, my mother and father stop speaking to me. There ’ s a funny phrase for this phenomenon in England: it ’ s called being sent to Coventry ”), this collection is pure Cusk and essential reading for our age: fearless, unrepentantly erudite, and dazzling to behold.

Chiefly on the partition of Punjab, 1947.

Discusses the reckless annihilation of fish and birds by the use of pesticides and warns of the possible genetic effects on humans.
