India - Language, Culture, Customs and Etiquette

Indian Business Etiquettes • Dress • For business, men should wear suits and ties. During summer months, you may omit the jacket. • Women should wear conservative pantsuits or dresses, a salwar-suit is also acceptable for business dress. • Gifts • Give gifts with both hands.

Indian Business Etiquettes and Its Culture.

Depending on the type of Indian business you are dealing with, it is not common for middle management to have decision-making autonomy. Make sure the person you are negotiating with is senior enough to commit to business and partnership decisions. Do not begin business meetings by getting straight to the heart of the negotiation.

Indian business culture and business etiquette

While greeting, it should be limited to handshake only as kiss is not a tolerable greeting type in Indian business culture. Moreover, some signs like a Western hand wave from side to side means 'go away' or 'no' in India. Indian people are reluctant in directly saying 'no', so instead of 'no' they will reply with 'I will try'.
