India's foreign policy toward Israel is a subject of deep dispute. Throughout the twentieth century arguments have raged over the Palestinian problem and the future of bilateral relations. Yet no text comprehensively looks at the attitudes and policies of India toward Israel, especially their development in conjunction with history. P. R.

India's Israel Policy | Columbia University Press

The rapprochement between Israel and India in recent years has been brought about at the expense of the Palestinians' standing in India's regional policy. This marginalization could be seen in India's abstentions at the UNHCR votes on the Gaza conflict in 2014 and the challenges to Jewish historical links to Jerusalem at UNESCO in 2016.

India's New Israel Policy - SWP

After decades of non-aligned and pro-Arab policy, India formally established relations with Israel when it opened an embassy in Tel Aviv in January 1992. Ties between the two nations have flourished since, primarily due to common strategic interests and security threats.

India – Israel relations - Wikipedia

Initially in the period preceding independence, India's policy was one based on pure cultural ideology. India's founding fathers simply could not comprehend the need for an independent Jewish state...

Understanding India's Israel Policy | Josh Daniel | The Blogs

Breaking with conventional wisdom, this book looks at how India's Israel policy was actually contested from the start and evolved over time to adapt to new domestic and international circumstances and interests. The rationale for engaging Israel did not suddenly emerge in 1992 but was in fact the result of long-term debates within the Indian polity.
