Insidious Intent - Val McDermid

Insidious Intent is the tenth novel in her series featuring DCI Carol Jordan and the psychological profiler Tony Hill. They have been through a lot together and suffered a deal of wear and tear....

Book review: *Insidious Intent*, by Val McDermid | The Scotsman It's a fine description of the perpetrator of the crime at the centre of this story and could also serve as the author's mission statement. *Insidious Intent* is number 10 in the series featuring DCI Carol Jordan and psychological profiler Dr Tony Hill and it is the most shocking to date.

Insidious Intent » CRIME FICTION LOVER

Book review: *Insidious Intent* by Val McDermid. Saturday, August 26, 2017 [Permalink](#). My reunion with psychologist Tony Hill and detective Carol Jordan in Val McDermid's 2015 book, *Splinter the Silence* was a happy one. It felt like it'd been a while since we'd caught up and I wasn't sure if there'd been a lull or I'd been a little confused (put-off) by changes in the TV show based on the books, *Wire in the Blood*.

Unmarked graves are found on the grounds of an old orphanage in this riveting British crime thriller by an Edgar Award finalist (Publishers Weekly, starred review). With profiler Tony Hill behind bars and Carol Jordan no longer with the police, he's finding unexpected outlets for his talents in jail and she's joined forces with a group of lawyers and forensics experts looking into suspected miscarriages of justice. But they're doing it without each other; being in the same room at visiting hour is too painful to contemplate. Meanwhile, construction is suddenly halted on the redevelopment of an orphanage after dozens of skeletons are found buried at the site. Forensic examination reveals they date from between twenty and forty years ago, when the nuns were running their repressive regime. But then a different set of skeletons is discovered in a far corner—young men from as recent as ten years ago. When newly promoted DI Paula McIntyre discovers that one of the male skeletons is that of a killer who is supposedly alive and behind bars—and the subject of one of Carol's miscarriage investigations—it brings Tony and Carol irresistibly into each other's orbit once again in this masterfully plotted novel by "the queen of psychological thrillers" (Irish Independent).

Psychologist Tony Hill and ex-DCI Carol Jordan—the UK crime fighting partners from the TV series *Wire in the Blood*—face down a serial killer. International bestselling crime writer Val McDermid's work speaks for itself: her books have sold millions of copies worldwide, won numerous accolades, and attracted a devoted following of readers around the globe. *Cross and Burn* picks up where *The Retribution* left off: following the best crime-fighting team in the UK—clinical psychologist Tony Hill and police detective Carol Jordan—who when we last saw them were barely speaking, and whose relationship will now be challenged even further. But just because they're not talking doesn't mean the killing stops. Women are being murdered—ones who bear an unsettling

Read Free Insidious Intent Tony Hill And Coral Jordan Book 10

resemblance to Carol Jordan. And when the evidence begins to point in a disturbing direction, thinking the unthinkable seems the only possible answer. Cornered by events, Tony and Carol are forced to fight for themselves and each other as never before.

“McDermid is as smooth a practitioner of crime fiction as anyone out there . . . She’s the best we’ve got.” —The New York Times Book Review

The bestselling “Queen of Crime reigns again” when a profiler and an ex-cop investigate the suspicious deaths of women targeted by Internet trolls (Independent, UK). From the international bestselling author of *The Mermaids Singing* and *The Wire in the Blood* comes the ninth installment of her beloved series featuring psychologist Tony Hill and former DCI Carol Jordan . . . Vicious online attacks seem to be driving outspoken women to silence themselves through suicide. Yet for profiler Tony Hill, who knows a thing or two about patterns in human behavior, something doesn’t add up. Carol Jordan, meanwhile, is too busy tackling her own demons to think about a potential serial killer. But when she gets an opportunity for a second chance, it’s game on. This time around, though, the stakes have never been higher. One of the *Boston Globe’s* Best Books of 2015

This was the summer he discovered what he wanted—at a gruesome museum of criminology far off the beaten track of more timid tourists. Visions of torture inspired his fantasies like a muse. It would prove so terribly fulfilling. The bodies of four men have been discovered in the town of Bradfield. Enlisted to investigate is criminal psychologist Tony Hill. Even for a seasoned professional, the series of mutilation sex murders is unlike anything he’s encountered before. But profiling the psychopath is not beyond him. Hill’s own past has made him the perfect man to comprehend the killer’s motives. It’s also made him the perfect victim. A game has begun for the hunter and the hunted. But as Hill confronts his own

Read Free Insidious Intent Tony Hill And Coral Jordan Book 10

hidden demons, he must also come face-to-face with an evil so profound he may not have the courage--or the power--to stop it... The Mermaids Singing is a chilling and taut psychological mystery from Val McDermid.

A chilling, high-velocity thriller featuring psychologist Dr. Tony Hill and detective Carol Jordan from the international bestselling crime writer. Tony Hill has had a good run. He and detective Carol Jordan have put away scores of dangerous criminals at a rate that colleagues envy. But there is one serial killer who has shaped and defined their careers, and whose evil surpasses all others: Jacko Vance, ex-celebrity and sociopath whose brilliance and utter lack of remorse have never left Tony's mind in the ten years since his imprisonment. Now Jacko has escaped from prison—even more twisted and cunning than before, he is focused on wreaking revenge on Tony and Carol for his years spent behind bars. Tony and Carol don't know when Jacko will strike, or where. All they know is that Jacko will cause them to feel fear like they've never known. An utterly gripping tour de force, *The Retribution* is the ideal introduction or re-introduction to the world of Tony Hill and Carol Jordan. It is an unforgettable read. "I love every word Val McDermid writes. If you haven't discovered her genius yet, you are in for a rare treat." —Harlan Coben

Across the country, dozens of teenage girls have vanished. Authorities are convinced they're runaways with just the bad luck of the draw to connect them. It's the job of criminal profilers Dr. Tony Hill and Carol Jordan to look for a pattern. They've spent years exploring the psyches of madmen. But sane men kill, too. And when they hide in plain sight, they can be difficult to find... He's handsome and talented, rich and famous--a notorious charmer with the power to seduce...and the will to destroy. No one can believe what he's capable of. No one can imagine what he's already done. And no one can fathom what he's about to do next. Until one of

Read Free Insidious Intent Tony Hill And Coral Jordan Book 10

Hill's students is murdered--the first move in a sick and violent game for three players. Now, of all the killers Hill and Jordan have hunted, none has been so ruthless, so terrifyingly clever, and so brilliantly elusive as the killer who's hunting them... Val McDermid's *The Wire in the Blood* is "A superb psychological thriller" (Cosmopolitan).

Winter 1963: two children have disappeared off the streets of Manchester; the murderous careers of Myra Hindley and Ian Brady have begun. On a freezing day in December, another child goes missing: thirteen-year-old Alison Carter vanishes from her town, an insular community that distrusts the outside world. For the young George Bennett, a newly promoted inspector, it is the beginning of his most difficult and harrowing case: a murder with no body, an investigation with more dead ends and closed faces than he'd have found in the anonymity of the inner city, and an outcome which reverberates through the years. Decades later he finally tells his story to journalist Catherine Heathcote, but just when the book is poised for publication, Bennett unaccountably tries to pull the plug. He has new information which he refuses to divulge, new information that threatens the very foundations of his existence. Catherine is forced to re-investigate the past, with results that turn the world upside down. A Greek tragedy in modern England, Val McDermid's *A Place of Execution* is a taut psychological thriller that explores, exposes and explodes the border between reality and illusion in a multi-layered narrative that turns expectations on their head and reminds us that what we know is what we do not know. *A Place of Execution* is winner of the 2000 Los Angeles Times Book Prize and a 2001 Edgar Award Nominee for Best Novel.
