"Investigating Sound (part of the How Does Energy Work? series) would be a great addition to a science unit focusing on sound. The book's cover makes you want to open it to see if there are more wonderful photos inside. Photos of children conducting sound experiments are found throughout the book, and these are accompanied by simple text to explain what is happening and why. Bright yellow text boxes are placed in key areas to draw a child's attention to neat factoids.
