thought into the world. Also the light of the lamp represents the presence of the character's thoughts casting over the books. And of course the chair makes the image into a scene where one could imagine a character hard at work reading, studying, and writing.

It's not about the coffee.

It's not all about coffee intake though as other lifestyle factors such as smoking or non-smoking and fruit and vegetable intakes have an impact on health risks too. Is coffee healthy then? The way coffee is made seems to have a big impact on how healthy it is. Different beans, ways of roasting and brewing can certainly vary the caffeine content.

insight into the makings of a great company. Interwoven with anecdotes and a personal memoir, the message of It's Not About the Coffee – that companies exist to further the dreams of compatible individuals, and not the other way around – is clear, poignant and profound. No matter what the industry, no matter what the company, when it becomes more about the product than the people, you're sunk.
