For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.

This book in the Tractor Legacy series examines these Big Green machines in detail, with archival and current photography of restored tractors, a thorough historical text, and details of model specifications and variations.

A beloved king is dead, and by year's end, the charismatic new monarch will give up his throne for love. The world is on the brink of war. And in the tumultuous intervening months, three outsiders will find themselves embroiled in the hidden truths, undeclared loves, unspoken sympathies, and covert complicities of a glittering high society in the throes of upheaval. After a long journey from her home in Barbados, May Thomas secures a position as a secretary and driver and opens her heart to a man seemingly beyond her reach. Outwardly affable American spinster Evangeline Nettlefold finds her place in the uppermost social circles, but her growing resentment toward her childhood friend Wallis

Simpson predicts disaster. A friendship catapults Julian Richardson from his mother's middle-class parlor to luxurious dinners with the king, yet he cannot forget those who struggle outside the gilded gates, nor his uneasy affection for May. As addictive as *Downton Abbey*, as poignant as *The Remains of the Day*, renowned historian Juliet Nicolson's debut novel is a breathtaking story inspired by a love affair that shook the world at a time when order and chaos battled for supremacy.
