A business parable about how companies can achieve remarkable results by helping their employees fulfill their dreams

Managing people is difficult. With disengagement and turnover on the rise, many managers are scratching their heads wondering what to do. It's not that we don't dream of being great managers, it's

**Dilution Chart**  
just that we haven't found a practical and efficient way to do it. Until now . . . The fictional company in this remarkable book is grappling with real problems of high turnover and low morale -- so the managers begin to investigate what really drives the employees. What they discover is that the key to motivation isn't

necessarily the promise of a bigger paycheck or title, but rather the fulfillment of crucial personal dreams. They also learned that people at every level need to be offered specific kinds of help and encouragement -- or our dreams will forever remain just dreams as we grow dissatisfied with our lives and jobs.

Beginning with his important thought that a company can only become the-best-version-of-itself to the extent that its employees are becoming better-versions-of-themselves, Matthew Kelly explores the connection between the dreams we are chasing personally and the way we all engage at work. Tackling head-on the
