Many people today find that their prayers don't "work." And like a broken cell phone, DVD player, or TV remote, they throw prayer out as unnecessary "clutter" in their busy lives. Anne Graham Lotz has found that while prayer does work, sometimes the "pray-ers" don't. So she has turned to the prophet Daniel for help. The Daniel Prayer is born deep within your soul, erupts through your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure. Heartache. Grief. Desperation. It can be triggered by a sudden revelation of hope. An answer to prayer, a promise freshly received, a miracle that lies just over the horizon. Join Anne in a thrilling discovery of prayer that really works. This book will help you pray effectively for your nation, for your families, and for yourself.

The directive is so simple: Be still. Draw close. Know Me. Yet who hasn't struggled with the art of quieting your mind and heart to truly dig deep into the intimacy God offers His beloved? The Weekly Prayer Project allows you that moment for reflection and invites you to write your prayers to the One who loves you unconditionally.

This charming version of a well-known chant takes place on the African savanna In this beautifully illustrated rendition of a well-known children's chant, two sisters are looking not for a bear but for a lion—a lion that lives on the African savanna, where the girls go through swishy-swashy long grass, a splashy-splashy lake, and a Big Dark Cave. When they finally meet their lion, they have to run, run, run through it all again to get back home. Young readers will enjoy the playful language and beautiful paintings that reset a familiar story in a far-off part of the world.
