kiss your fights goodbye - HealYourLife.com

Kiss Your Fights Goodbye at Omega May 12, 2017 – May 14, 2017. Conflict is inevitable in our intimate relationships. Most of us believe that conflict and fighting are synonymous, but they are, in fact, very different. Whenever our needs or wishes are thwarted, a state of conflict results. Anger can arise. It is how we handle that anger that determines if a conflict turns into a fight.

Heated fighting triggers a biochemical imbalance in men that causes them to flee from conflict. The technical name for this is the Demand/Withdraw Negative Escalation Cycle, also known as "husband withdrawal." This is the number one cause of marital and relationship strife, divorce, and domestic violence. Dr. Jamie Turndorf's techniques, based on 30 years of research out of her Center for Emotional Communication, transform conflict into connection for a lifetime of lasting love. Even if you're locked in battle and have been for years, your relationship can change. Beginning with simple Cool-Down steps, you'll learn why husband withdrawal occurs and then how to use Climate Control strategies to reset the relationship. Women will discover the real reason why men never seem to listen—it's nothing personal—and the secret trick that actually makes them want to listen and stick around to settle disputes. Dr. Turndorf's proven conflict-resolution method interrupts the cycle of fighting for the majority of couples, and can also be used to defuse disagreements among friends and family members.

The classic account of the abandonment of American POWs in Vietnam by the US government. For many Americans, the recent conflicts in Iraq and Afghanistan bring back painful memories of one issue in particular: American policy on the rescue of and negotiation for American prisoners. One current American POW of the Taliban, Sergeant Bowe Bergdahl, stands as their symbol. Thousands of Vietnam veteran POW activists worry that Bergdahl will suffer the fate of so many of their POW/MIA comrades—abandonment once the US leaves that theater of war. *Kiss the Boys Goodbye* convincingly shows that a legacy of shame remains from America's ill-fated involvement in Vietnam. Until US government policy on POW/MIAs changes, it remains one of the most crucial issues for any American soldier who fights for home and country, particularly when we are engaged with an enemy that doesn't adhere to the international standards for the treatment of prisoners—or any American hostage—as the graphic video of Daniel Pearl's decapitation on various Jihad websites bears out. In this explosive book, Monika Jensen-Stevenson and William Stevenson provide startling evidence that American troops were left in captivity in Indochina, victims of their government's abuse of secrecy and power. The book not only delves into the world of official obstruction, missing files, censored testimony, and the pressures brought to bear on witnesses ready to tell the truth, but also reveals the trauma on patriotic families torn apart by a policy that, at first, seemed unbelievable to them. First published in 1990, *Kiss the Boys Goodbye* has become a classic on the subject. This new edition features an afterword, which fills in the news on the latest verifiable scandal produced by the Senate Select Committee on POWs. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Sullivan Brady has always followed his own rules. The biggest one: Don't get attached. When his sister went missing when he was a child it taught him a hard lesson. Sometimes loving someone leaves you open to unimaginable pain. He vowed to never be in that position with anyone ever again—until Lana. She alone touches his heart and has the power to heal age old wounds. When she almost dies he loses it and starts to question every decision he's ever made. Surviving a car accident quickly followed by heart surgery leaves Lana Kelly vulnerable. She's always had a soft spot for Sullivan, but has tried her best to keep him at a distance. Only a fool would trust him to honor a commitment regarding matters of the heart. He's known for his serial dating and inability to love. When he starts a campaign to win Lana's heart she is ill prepared to fight him. As the days go by Lana starts to believe in a happy-ever-after with Sullivan. Someone else has other ideas though and they might not survive long enough to discover what true happiness is.

Dating. Isn't there a better way? Reorder your romantic life in the light of God's word and find more fulfillment than the dating game could ever give - a life of purposeful singleness.

A Scottish thug needs help clearing his name when he's accused of killing his daughter in this hard-boiled mystery by the author of *Two-Way Split*. When people in Edinburgh need to borrow money, they go to Cooper. When they don't pay it back, they get a visit from Joe Hope. But now, Joe's got troubles of his own. His teenage daughter's been found dead, an apparent suicide. Then the police arrest him for murder. But, for once, Joe is innocent. With help from Scotland's hardest men—and one woman—he sets out to discover who has framed him and to deliver his own brutal brand of justice. Praise for *Kiss Her Goodbye* “A tough and fresh take on the classic hard-boiled tale...vivid, smart and stylish.” —San Francisco Chronicle “Guthrie writes with an urgency, energy, cynical realism and mastery of casual violence that is rarely encountered in British crime writing.” —The Times (UK) “A page-turning countdown to [a] violent explosion . . . a throwback to pulp fiction's heyday.” —Giant Magazine “The

THE PRICE OF LOVE Nikki James is just an ordinary, risk-taking, psychically inclined private eye until she hooks up with Michael Kelly. Now she is something more: one of the few, the chosen, the magic-wielding undercover operatives of the Damask Circle, an organization protecting humanity from a rising tide of evil. She wants nothing more than to pass the Circle's strict entry exams so she can get on with the business of planning her wedding to Michael. But she quickly realizes that buying a wedding dress is the least of her worries. One hundred years ago, Michael Kelly hunted down and killed the sorcerer responsible for murdering his lover. Now the brother of that man is out for revenge, and he intends to destroy all that Michael holds dear in the process. When Michael is kidnapped, the trail leads Nikki to a dusty ghost town surrounded by a potent magical barrier, leaving her to battle a madman alone with only her wits, strength, and the one psychic gift she cannot fully control. And to make matters even worse, Michael no longer seems to remember who she is.

Now in trade paperback for the first time from Anchor Canada, Joy Fielding's first thriller! Those goodbye kisses Donna received from her children when ex-husband Victor picked them up for their day's outing with him were for all time . . . forever. Only Donna did not know that, and the memory of her children's kisses on the day they disappeared come back to haunt her, for Victor did not return. Instead, this handsome, twisted man, who had destroyed their marriage and almost destroyed Donna's sanity, vanished with her little boy and girl. And Donna was left with a lover whose love was no longer enough, a new life that had suddenly turned agonizingly empty, and a terror-filled quest to find her children that would take her across the country and beyond the law . . .

“Guaranteed to give immense hope,” this manual on reconnecting with loved ones who have passed on “provides stunning evidence of the continuity of love and life” (Suzanne Giesemann, author of Messages of Hope) Famed relationship therapist, author, and media personality Dr. Jamie Turndorf—known worldwide as Dr. Love—shares the amazing true story of her spiritual reconnection with her beloved, deceased husband, internationally renowned former Jesuit priest Emile Jean Pin. Discovering for herself that relationships don't end in death, Jamie recounts her remarkable experience where, through the depths of her grief after Jean's sudden passing, her husband made his continued presence—and undying love—known. Drawing on these personal encounters, Jamie has created a groundbreaking new form of grief therapy that combines her acclaimed conflict-resolution techniques with after-death communication. The result: an unprecedented method that enables the bereaved to reconnect, resolve unfinished business, and make peace with the deceased. Filled with dozens of examples of spirit contact and communication, this book eliminates any doubt about life after death and shows that contact is ongoing. Loved ones in spirit don't just linger briefly before going to “heaven” and disappearing from your life. Rather, heaven is a state, not a place, and your loved ones have eternity to support you and heal any issues left behind when they passed on. Come to recognize the numerous signs from spirit that you may have been missing. Learn to trust yourself and the process that's right for you—not a shortened, artificial grief period prescribed by conventional doctors. Practice techniques for heightening your senses, expanding your awareness, and entering an open state, culminating in Jamie's method for Dialoguing with the Departed. When connection and love live on, fear is banished and

relationships can grow and heal as never before. Begin opening your mind and your heart today!

You brush, floss, use mouthwashes, and are concerned about the foods you eat, yet you still require fillings or lengthy cleanings at the dentist. In *Kiss Your Dentist Goodbye*, Dr. Ellie Phillips teaches how anyone can achieve and maintain a truly healthy mouth. Empower yourself as you improve the look and feel of your teeth between dental visits. Your dentist will be amazed at the changes he sees, and you will be thrilled as cavities and gum disease become a thing of the past. Traditional dentistry cannot prevent dental disease. But Ellie's do-it-yourself daily routine can. Discover how easy it is to reduce plaque buildup, strengthen tooth enamel, repair small cavities, eliminate tooth sensitivity, and improve your overall oral health. Learn about products that hinder your efforts and the risks of bleaching, dental sealants and the wrong use of fluoride. It is time to achieve healthy, clean teeth and gums and wow your dentist at the next appointment.
