La pluma de la autora hace que el lector se meta de lleno en la historia de la protagonista y de sus amores, y sobre de todo, desamores. En esta novela intimista nos vamos a encontrar con la voz de una mujer que ha terminado triste y buscando una salida imaginaria a un momento un poco dif í cil de su vida. Ciertamente es que, lo le í hace tanto que no me acuerdo bien de toda la trama y eso significa ...

La trama es interesante y es una historia con la que muchos se pueden identificar. Sin embargo el lenguaje usado por Mara es tedioso, pues los lectores que no conocemos la "jerga" española, nos perdemos entre palabrería que solo es entendida por Españoles. Me parece que para ser una autora internacional, el lenguaje utilizado debería ser más sencillo. Por un momento sentí que estaba leyendo un ...

An unmissable collection of eight unconventional and captivating short stories for young and adult learners. "I love Olly's work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller A Mind for Numbers Short Stories in Spanish for Beginners has been written especially for students from beginner to intermediate level, designed to give a sense of achievement, and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference, these eight captivating stories will both entertain you, and give you a feeling of progress when reading. What does this book give you? - Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary - Controlled language at your level, including the 1000 most frequent words, to help you progress confidently - Authentic spoken dialogues, to help you learn conversational expressions and improve your speaking ability - Pleasure! It's much easier to learn a new language when you're having fun, and research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' - Accessible grammar so you learn new structures naturally, in a stress-free way Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including - A glossary for bolded words in each text - A bilingual word list - Full plot summary - Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed or frustrated. From science fiction to fantasy, to crime and thrillers, Short Stories in Spanish for Beginners will make learning Spanish easy and enjoyable.

Delightful stories, other material based on works of Don Juan Manuel, Luis Taboada, Ricardo Palma, other noted writers. Complete faithful English translations on facing pages. Exercises.

The deluxe e-book edition of Chasing the Sun includes rare, behind-the-scenes video footage of superstar Juanes' s early career, shows and concerts, recordings, personal life, and more. Interspersed throughout the text are exclusive interview clips that further explore the passion and truth found in Juanes' s words and offer a true glimpse of the man behind the music. " I' m doing what I believe I was brought to this world to do: to create music that raises awareness, renews hearts, and generates change. I' ll continue looking to the stars and traveling the globe as God permits me. And I hope I have many years left to connect through art, to play my guitar, and to continue chasing the sun. " —Juanes In Chasing the Sun, the international music icon and humanitarian shares the incredible story of his life and how music and faith guided his path. In his own un-adulterated words, and with visually arresting images throughout—some of them never before seen—Juanes imparts his defining moments from childhood to present day, reflecting on his spiritual and musical journey and the personal and professional experiences that shaped the man he is today. Born and raised in Colombia, Juanes developed his deep love of music from his family and learned to play guitar at an early age. By age sixteen, he became a founding member, lead guitarist, vocalist, and song-writer for Ekhyosis, which went on to become Colombia' s leading hard-rock band. However, it was his career as a solo artist that propelled him toward international superstardom. With great honesty, Juanes reveals how his times of glory were often intersected by times of doubt and soul-searching and how remaining true to his beliefs and passionate about his art gave him the strength and foresight to reinvent himself and his career. While his role as a recording artist is well documented, the very private Juanes has never opened up in his own

words—until now.

Dedicated to the memory of two wrestling coaches and two writer friends, *The Imaginary Girlfriend* is John Irving's candid memoir of his twin careers in writing and wrestling. The award-winning author of best-selling novels from *The World According to Garp* to *In One Person*, Irving began writing when he was fourteen, the same age at which he began to wrestle at Exeter. He competed as a wrestler for twenty years, was certified as a referee at twenty-four, and coached the sport until he was forty-seven. Irving coached his sons Colin and Brendan to New England championship titles, a championship that he himself was denied. In an autobiography filled with the humor and compassion one finds in his fiction, Irving explores the interrelationship between the two disciplines of writing and wrestling, from the days when he was a beginner at both until his fourth wrestling related surgery at the age of fifty-three. Writing as a father and mentor, he offers a lucid portrait of those—writers and wrestlers from Kurt Vonnegut to Ted Seabrooke—who played a mentor role in his development as a novelist, wrestler, and wrestling coach. He reveals lessons he learned about the pursuit for which he is best known, writing. “ And, ” as the *Denver Post* observed, in filling “ his narrative with anecdotes that are every bit as hilarious as the antics in his novels, Irving combines the lessons of both obsessions (wrestling and writing) . . . into a somber reflection on the importance of living well. ” Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Hi. My name's Faith and I'm living the London dream! I work in a fabulous PR company, have loads of thin, glamorous friends but most of all, I have a perfect, handsome boyfriend. He never wants to watch the football and he always thinks I am the most beautiful girl in the world. The only problem is that he doesn't exist. I made him up, just like I made up my perfect life and my perfect job. It's what I do. I'm a single, lonely, low-paid, make-up girl and it's far too late to tell my family the depressing truth. Except that my sister's just got engaged, which means I've finally run out of reasons why my family can't meet my man... Hi. My name's Faith and I have less than two months to turn my perfect fictional boyfriend into reality. Wish me luck?

Since its publication in 1962, Carlos Fuentes' novel, *Aura*, remains not merely an object of academic interest but a continuous source of controversy in Mexico. It was the explosive combination of sex and religion that incensed the Ministro de Hacienda, Salvador Abascal, and linked *Aura* to the recent polemical Mexican film *El Crimen del Padre Amaro*. *Aura* is preoccupied with the place and persistence of the sacred in modern Mexico rather than simply the secret abuses of institutional Catholicism. This critical edition of the work is accompanied by an introduction and notes on the text.

Unlike many other books on pornography which concentrate on arguments about restricting or not restricting pornography, this book focuses on the production of adult videos. It outlines and examines the industrial dynamics of the industry, its strategies, technological capabilities and organisational structure. It discusses the socialisation of those who participate in the industry, the role of censorship, the nature of markets and the wider cultural impact of the industry.
