<p>For Cheryl Mendelson, laundering is the best part of housekeeping. It's full of physical pleasures—the look of favorite clothes restored to freshness and beauty, the tactile satisfaction of crisp linens in beautifully folded stacks. Good laundering preserves things you love and protects your pocketbook. It doesn't take much time or effort. What it takes is knowledge, and Laundry is the comprehensive, entertaining, and inspiring book on the art of laundering. Culled from the bestselling Home Comforts, with revised and updated information and a new introduction, Laundry is an indispensable guide to caring for all the cloth in one's home: from kitchen rags to bedding, hand-washables, and baby clothes to vintage linens. Mendelson offers detailed guidance on when to disregard labels, removing stains, making environmentally informed choices, sewing, and storing clothing and fabrics. A much-needed antidote to the standard-issue how-to manual, Laundry celebrates the satisfactions of ironing, folding, and caring for clothes and linens. Both pragmatic and eloquent, Mendelson provides beginning and veteran homemakers with a seamless combination of reliable instruction, time-tested advice, and fascinating personal narrative. As a farm girl in Pennsylvania, Mendelson—who is a philosopher, lawyer, and professor, as well as a homemaker, wife, and mother—received a classic domestic education from her grandmothers, aunts, and mother. Laundry combines the best of the traditional lore they taught her with the latest in technical and scientific information. Writing with infectious love and respect for her subject, Mendelson is sure to instill in readers a newfound affection and appreciation for the art of laundering.</p>
<p>Ranging from suggestions for the care of musical instruments to maintaining home safety, a celebration of and guide to the finer points of home-keeping offers a contemporary, creative, and positive take on a traditional subject</p>

<p>'A joy to read.' You Magazine 'Move over, Marie Kondo, it's all about washing not tidying in 2021 and it's down to one man - Patric Richardson.' The Times 'This slim volume, its breezy pages of tips and anecdotes, stories and, in the back, recipes, is a lovely salve. One would be very fortunate, I think, to be Richardson's friend or neighbour, to share his optimism and joy in life's seemingly small things.' Washington Post 'Look after your laundry, and your soul will look after itself.' W. Somerset Maugham Doing laundry is rarely anyone's favourite task. But to Patric Richardson, laundry isn't just fun - it's a way of life. Sorting your laundry? It's not all about whites and darks. Pondering the wash cycles? Every load, even delicates, should be washed using express or quick-wash on warm. Facing expensive dry cleaning bills? You'll learn how to wash everything - yes everything - at home. And those basically clean but pony clothes? Richardson has a secret for freshening those too (hint: it involves your drinks cabinet). Changing your relationship with laundry can also change your life. Richardson's handy advice shows us how to save time and money (and the planet!) with our laundry - and he intersperses it all with a healthy dose of humour, real-life laundry stories, and lessons from his career in fashion. How to Love Your Laundry will make you wonder why you ever stressed about ironing, dry cleaning, or (god forbid) a red wine spill on your new shirt. No matter the issue, Richardson is here to help you make laundry miracles happen - wrinkles and stains be damned.</p>
<p>Following the tremendous success of her first book, a nonfiction work on housekeeping that became a surprise bestseller, Cheryl Mendelson brings to her debut novel the same intensely readable style that made Home Comforts so popular. In the spirit of Anthony Trollope, she roots her story very much in a specific time and place—1999, in an old-fashioned New York City neighborhood that's becoming rapidly gentrified—and the enormously engaging result resembles a twentieth-century version of The Way We Live Now. Anne and Charles Braithwaite have spent their entire married life in a sedate old apartment building in Morningside Heights, a northern Manhattan neighborhood filled with intellectual, artistic souls like themselves, who thrive on the area's abundant parks, cultural offerings, and reasonably priced real estate. The Braithwaites, musicians with several young children, are at the core of a circle of friends who make their living as writers, psychiatrists, and professors. But as the novel opens, their comfortable life is being threatened as a buoyant economy sends newly rich Wall Street types scurrying northward in search of good investments and more space. At the same time, the Braithwaites weather the difficult love lives of their friends, and all of the characters confront their fears that the institutions and social values that have until now provided them with meaning and stability—science, religion, the arts—are in increasing decline. Though the group clings to the rituals and promises of such institutions, the Braithwaites' imminent departure sends shock waves through their community. As the family contemplates the impossible—a move to the suburbs—their predicament represents the end of a cultured kind of city life that middle-class families can no longer afford. This intelligent and captivating social chronicle is the first of a trilogy of novels about Morningside Heights; readers sure to be drawn in by Mendelson's habit-forming prose have much more to look forward to.</p>

<p>#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.</p>
<p>Preparing for their gift, self-involved, eldest child Jane's senior year of high school, the well-meaning Braithwaite family is shaken when she threatens to throw her promising future away to help their housekeeper's needy family, including her teenage nephew. By the author of Morningside Heights. Reprint.</p>

<p>Just because you're born with a "Y" chromosome doesn't excuse you from cleaning the bathroom, especially in this day and age when time's at a premium and partners have to be, well, partners. To help men step up to the plate (and wash it) is DAD'S OWN HOUSEKEEPING BOOK, the book of everything your mother never taught you about taking care of a house. Written by a real guy, in a real guy's voice and with a direct guy-to-guy point of view, DAD'S OWN HOUSEKEEPING BOOK—in the spirit of Dad's Own Cookbook, with 270,000 copies in print—takes even the most Swiffer-challenged dad and shows him that housekeeping is no different from yard work, that if you can organize your shop you can organize a kitchen, and if you can load a trunk you can load a dishwasher. From laundry room to attic storage, from the "Five- Minute Attack Plan: Bathroom" to the all-out assault of spring cleaning (it really does make a big difference), from mold to stains to picking-up-after-the-kids-without-driving-yourself-crazy, this is the comprehensive crash course. Here's how to do the laundry without dulling colors. Stock the pantry to make weekday meals infinitely easier. How to get mildew off the shower tiles. How to make a bed—in one minute. How to be best friends with baking soda—just one of the many tips the author gives for saving money. And what you can do in thirty minutes to make your house completely presentable for your mother-in-law. Sorry, no more excuses.</p>
<p>Combining professional expertise with the author's signature style, a comprehensive home care handbook takes readers step by step through the upkeep of every room in the house, covering everything from removing stains to replacing a window pane, and furnishes valuable t advice on how to make a home safe and comfortable and how to maintain it properly. 500,000 first printing.</p>

<p>NEW YORK TIMES BESTSELLER "Wise and funny. . . . The Lorrie Moore short story, or the Tina Fey memoir, of cleaning tutorials."—Dwight Garner, The New York Times "Thrillingly titled. . . . For a generation overwhelmed not just by dust bunnies, but by bong water on the carpet, pee stains on the ceiling and vomit seemingly everywhere, Jolie Kerr dispenses cleaning advice free of judgment. . . . A Mrs. Becton for the postcollege set." —Penelope Green, The New York Times "Jolie Kerr really cuts through the grease and grime with her new book. I do what she tells me to do." —Amy Sedaris The author of the hit column "Ask a Clean Person" offers a hilarious and practical guide to cleaning up life's little emergencies Life is filled with spills, odors, and those oh-so embarrassing stains you just can't tell your parents about. And let's be honest: no one is going to ask Martha Stewart what to do when your boyfriend barfs in your handbag. Thankfully, Jolie Kerr has both staggering cleaning knowledge and a sense of humor. With signature sass and straight talk, Jolie takes on questions ranging from the basic—how do I use a mop?—to the esoteric—what should I do when bottles of homebrewed ginger beer explode in my kitchen? My Boyfriend Barfed in My Handbag proves that even the most nightmarish cleaning conundrums can be solved with a smile, the right supplies, and a little music.</p>
